

## NavManthan Publication Policy

In its pursuance for educational excellence and research the college published the first issue of a National level interdisciplinary double blind peer review journal “**NavManthan**” focusing on research articles in the field of commerce, accountancy, management, economics, law, social sciences and humanities with ISSN 2349-7327.

The objectives behind publication of this journal are:

1. To elicit/trigger new insights and disseminate diverse ideas from the research papers on various subjects to faculty and students.
2. To inspire faculty members for research work and increase research activities among faculty members in the college.
3. To enhance knowledge related to the subjects in the syllabus.
4. To give a platform to explore their knowledge and express their views through research.
5. To motivate the faculty members towards subject related reading, analyzing and presenting their views.
6. To help in improving teaching skills and interaction with students as well as staff members.

In order to encourage quality excellence in research among academicians, we are **not charging** any subscription or publication fee from the researchers. The author whose article gets selected for publication after double blind peer review will be given a free copy of that issue of the journal without any charges.

**The articles will be published strictly only after the consent of approval from the Peer Reviewers.** The authors must send the original articles written by them according to the guidelines provided for the authors. Authors are also requested to do the plagiarism test before sending their article to us. We do not accept plagiarized articles.

The views expressed in the research papers in this publication are those of respective author(s) and do not reflect the opinions or views of the editorial panel and SVKM's
