In the year 2012-2013, the Students' Forum presented a wide canvas of activities. In the week before Independence Day, the Students' Forum held singing, dance and skit competitions with a patriotic theme. The prize winners were selected for a program to be presented on 15th August, 2012. This, however, could not be held due to the demise of Shri Vilasrao Deshmukh. To celebrate Gandhi Jayanti and the spirit of kindness, Students' Forum conducted a week long program called "Joy of Giving" beginning on 3rd October, 2012. The activities included a poster making competition, clothes donation drive, a guest lecture by Mrs. Nirmala Mehendale, president of Kindness Unlimited India and an activity based competition between the divisions. In December, 2012 the Students' Forum conducted the National Genius Search Examination, a national, competitive examination. As every year, the week-long Students' Week was celebrated in a build up to College Annual Day. Under the aegis of the Mumbai Police drive to sensitize the youth, the Students' Forum arranged a visit to Juhu Police Station and a talk on Cyber Crime. This was indeed a fitting finale to a busy academic year.
