ACTIVITY REPORT (SEPTEMBER 2013)

The Computer Society on the 2nd of September 2013, organized their 2nd event for the year an "ETHICAL HACKING and SECURITY" Seminar conducted by Sachin Dedhia, CEO of Skynet Technologies and a Cyber Crime Investigator. It was an interactive session wherein Mr. Sachin briefed us about cyber-crimes, cyber warfare, caller id spoofing, hacking and security of Facebook and Gmail accounts as well as what sapp. The event saw a turnout of more than 60 students who were enthused and anxious to know new things.
