The "PSYCHOLOGY CLUB OF NM COLLEGE" conducted a wonderful event to relate mythology and management by the name "LEADERSHIP ON A MYTHOLOGICAL TRIP" on 5th of December, 2015. It was conducted with the help of two renowned speakers "PROF. UTKARSH PATEL" and "PROF. SHRADDHA GANDHI" both being the HODs at Mumbai University. The students were walking on a leadership trail along with the speakers. The speakers were decoding our myths and enlightening us with management traits of mythological characters. It was a very successful and knowledgeable event.
