Hobby Centre is a society that organizes events based on an array of hobbies from every possible field, be it the common or the uncommon. It aims to give students a platform to learn new skills, explore hidden talents and interest as well as to gain exposure and refine their abilities. With its fast growing popularity and high demand for more events, hobby centre is getting bigger and better day by day. The society holds bi-annual events of one/two days each. Term I events are scheduled for the third week of September and shall incorporate workshops, competitions, etc.
