

## Activity report 2010-11

### Hobby centre

Hobby centre has always looked to provide the student body at NM with a variety of events catering to a wide range of hobbies, from dance to social service. Carrying forward from where we left off last year, Hobby centre with a newer committee has conducted various events so far. A detailed report as follows:-

#### 1) Handicrafts exhibition cum sale + art mela

**Date:** 14 July, 2010 **From 8:30 onwards**

The said event was conducted for both the degree as well as junior college. It was in association with an NGO called **Sa'Ni'Sa**, i.e. **Shramik Naari Sangh**. The said NGO is associated with Shrimad Rajchandra Aatma Tatva Research Centre. Handicrafts such as envelopes, paper bags, handbags, jewellery, jute bags, mobile hangs, cd covers etc. were sourced from them. We also received sponsorship from a handicrafts shop, from Inorbit mall, malad. They too provided us with paper bags and fancy gift envelopes. Goods were bought on a sale or return basis.

We also had a tattoo and mehendi section as part of our art mela.

We received overwhelming response from both the staff and student body, to the extent that most stock was sold off and we had to take orders.

It was a pleasure for the committee to incorporate social service too as a hobby.

#### 2) Stall in Umang NM festival:

**Date:** 19, 20, 21 August, 2010

As a follow up for our first event, we had a stall in NM college festival, Umang. We were allotted space in the college premises, where we kept handicrafts for sale. We also included handicraft items like candles and key chains etc. apart from earlier mentioned articles.

The response was however lukewarm.

The committee worked to follow on the social service hobby with adding marketing to it.

It is to be mentioned that the committee wouldn't have been able to work so well without the support of the teaching, non-teaching and administrative staff. Special mention to the vice principal, Prof. Sangita Kher and principal, Prof. Sunil Mantri for their undying support and guidance.
