The College is usually known for the innumerable committees it has and the work they do. One such committee is the Cultural Committee of the NM College. Cultural committee of NM College is known to host a number of events in the college and mark a name by participating in a number of the college festivals.

This year the committee began with its very first event **on 8th and 9th July 2016 -THE TALENT HUNT.**

It was an event where the students were required to come up on stage and portray their talents. There were a huge number of students who participated and portrayed their talents which were in an array from Dance-Drama-Singing and monologues. The prime focus was to identify the talent of the participants and then place them in Youth Festival and in various inter collegiate festivals .

The Cultural Society organized an event in the month of August 2016 known as “**Har Ek Friend Zaroori Hota Hai**” wherein the theme revolved around friendships and its importance. The event was divided in 2 rounds, the first round was based on the lyrics of the songs and around 25 to 20 teams participated out of which 4 teams were selected for the second round which in turn had 2 rounds. The first round tested Cultural knowledge with 10 questions on the states of India and the second being the audio visual round. 2 students from our college, Simranjeet and Dhaval, enthralled the audience with their Jugabandi skills. The event was grand success with full participation and definitely proved to be an apt event to celebrate the wonderful bond of FRIENDSHIP.

The committee did not leave any stone unturned to applaud and motivate the students who represented our college in various festivals. The committee organized a special event to felicitate the participants of the youth Fest 2015 and youth fest 2016 on 3rd September 2016. The CLS and ACLS were not only praised but were also boosted to go ahead and achieve greater heights.
