

The Economics Association

Event 2: "Reign With Your Campaign"

14th September, 2016

Room no: 21

The main purpose of the event was to establish a connection between politics and economics. First round was an extempore on known economic concepts and economic affair. In the second round each team had to form a political party with an economic problem as their central idea, symbol, a party name and then had to campaign. Each team took up this challenge and came up with various strategies and messages leaving the audience enthralled with their slogans. The event concluded with a secret ballot for the audience who voted for the best team and the team with the maximum votes won.
