

THE PSYCHOLOGY CLUB

ACTIVITY REPORT : 2010-2011

The Psychology Club of NM College is a very prestigious club, founded in the year 2005. It has aimed to reach out to the students to help them be better global citizens and develop a healthy attitude towards life and society. Throughout the years, the club has organized interesting activities under the guidance of Professors Radhika Wadke and Supriya Wadia, and has got an overwhelming response from the students.

This year 2010-2011, the club organized a 3-day workshop on the 15th, 16th and 17th of September 2010, taking the students on a journey into the inner self. Eminent Professors Vinay Prabhu and Radhika Wadke spoke on positive thinking and self love and enlightened the students on the concepts of 'The Johari Window' and 'Escalation of

Commitment'. The workshop was a tremendous success with a jam-packed classroom on all 3 days.

Following its tradition, The Psychology Club is hoping to come up with its official newsletter -'INNER SPACE' very soon
