Activity Report:

1st Term

The society with mainly girl power did an excellent job for this year's events that were:

- 1) Dance workshop with Parvez
- 2) Text-o-thon
- 3) Umbrella painting
- 4) Treasure hunt (With a secret code workshop)

The society got its first and main sponsorship from Stationery Point at Thakur Village In Kandivali (E) of Rs.10,000/- and gift vouchers of worth Rs.6,000/- from Aishwarya Design Studio at Irla Road in Parle.

Dance Workshop – 6th September

Dance workshop was where participant PARVEZ conducted a two hour workshop teaching the students the basics of Hip Hop and Foxtrot. They were also taught a few dance manners

Text-o-thon & Umbrella Painting – 7th September

Texting returns witnessed a huge crowd of more than 150 students taking part.

Umbrella painting event saw a creative crowd who bonded with each other and formed a group of 4 which decorated the plain black umbrellas to give it an artistic touch.

Treasure Hunt – 8th September

The event began with a Secret Code workshop first as the elimination round. Final round had 30 participants teamed up to collect various clues related to Pirate theme like gold coins, pirate flags, maps, etc and obtain the final treasure.

Later in the day the committee assembled for the prize distribution ceremony.

DID contestant Parvez with the entire hobby centre committee.

2nd Term

Confluence & Shades of Transparency - 1st December

An art mela where Hobby Centre students put up stalls for Nail Art, Mehendi, Tattooing, One Stroke Painting and Cartoon Cards. A well attended event by students and staff.

An art competition of using glass colours on transparent O.H.P slides. All the material was provided by Hobby Centre to the participants.

Origami & Robotics Workshop - 2nd December

A paper folding workshop to create 3 dimensional objects was conducted by Mr. Himanshu Agrawal (the best origamist of India and international awardee) and his team. Students were able to hand craft 3-4 models out of paper. The event was attended by over 80 students and many teachers of Junior and Degree College.

In the 2nd half of the day Mr. Arpan Shah and his other engineer colleagues from Techno Gravity Solutions gave a presentation on Robotics. Then did a practical of making a car model run on battery. Each student was given a kit to do the experiment himself/herself.

Origami workshop conducted by Himanshu Agrawal.
