Workshops: Prerna Bajaj

Members :SurbhiDugar, Husain Kothari, AangijHaveri,
ShriyaShetty,PriyankaAwasthi

Objectives of the Association: To foster interest in the world of computers and technology.

Activities planned to achieve this objective:

The Computer Society 2011-12 organized 'Nexus', a three day event from the 14th to the 16th of December with a wide spectrum of events for technology fanatics as well as newcomers with an earnest zeal to explore the world of computers.

Report of all the activities conducted in 2011-12: 'Nexus' , spanning over three days, was an interesting mélange of educative and interactive events. 'Nexus' kicked off on the 14th with an exciting quiz which had the participants on the edge of their seats. Simultaneously Mr. Sachin Dedhia conducted a workshop on Ethical Hacking and Cyber Crime Investigation. Mr Dedhia is an established ethical hacker and is the CEO of Skynet Secure which occasionally provides its services to the cybercrime cell of the Mumbai Police. He was able to enlighten and astound us about the new techniques and technologies developed in the exhilarating world of hacking and how he uses them frequently to solve the complex cases brought to the cybercrime police cell.

On the 15th, the audience enjoyed a screening of X-men: First Class, a cinematic marvel in the world of SFX. Computer Society also organized a host of cyber

games and Karaoke on the Playstation, Wii and Computers which brought together all the gaming enthusiasts to enjoy a different side of computers!

Ethical Hacking and Cyber Crime Investigation Workshop

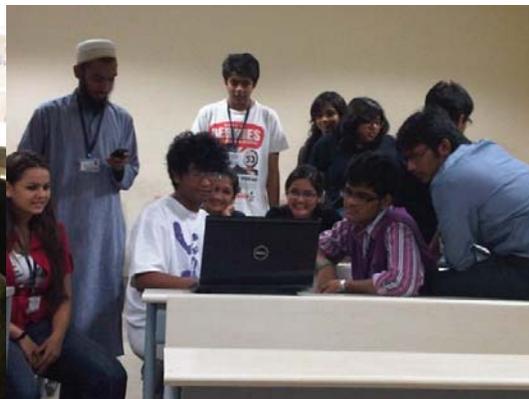

Karaoke at Cyber Gaming

The last day saw more of cyber games by popular demand and a workshop on Photoshop CS5 enumerating the ways in which you can edit pictures conducted by Priyank Parikh, an IITian with an immense knowledge on the workings of Photoshop tools . He was able to connect with the audience being a student himself and taught the basic steps to take to become a pro at photoshop.

‘Nexus’ received warm response with a number of students showing a keen interest in the events and had a number of ecstatic participants going home with cash prizes for the quiz as well as games. This wraps up the first year of ‘Nexus’ with many more to come.
