President's Welcome Message

Greetings! Shri Vile Parle Kelvani Mandal founded Narsee Monjee College of Commerce & Economics in 1964 with a focused vision and untrammelled thirst to nurture society. The foundation of this institution is to continually strive for excellence in education and holistic development. It is one of the premier colleges in Mumbai which has acted as a catalyst in imparting quality education.

SVKM's Narsee Monjee College of Commerce & Economics (Autonomous) offers multifarious programmes in the faculty of Commerce & Economics. Narsee Monjee College has always had a reputation of being the most sought-after college globally.

I sincerely believe that our students will be able to sculpt a harmonious blend of curricular, co-curricular and extra-curricular activities through their journey in this temple of learning. It will sharpen their skills and help them to cope and overcome the harsh realities of life. Our social outreach programs along with special focus on sustainability will sensitize the students towards the pressing needs of the society and help them become responsible citizens of the country.

A very important asset of our college is its dedicated teaching and non-teaching staff under the mentorship of our Principal & Vice-Principals. Their contribution to the growth of NM College is abundant. With this strong background and the perseverance to develop the student fraternity, I look forward to having enthusiastic students in our institution.

I wish all of you the best for achieving greater success and scaling new heights in your education and career ahead. With its newly adorned crown of Autonomous status, I am sure that NM College will leave no stone unturned to build a vibrant and inclusive learning community in a culture of excellence sustained by a sound value system that promotes responsible citizenship and effects social change. My warm wishes to all the new entrants to our NM PARIVAR.

Shri Amrish R. Patel

President, SVKM

Message from the Mentor, NM College

Education is the ability to meet life situations. Resistance and diligence laced with knowledge and intellect can make one soar to any desired extent. The thrust of education at NM College (Autonomous) is not limited to mentor rank holders but to also create dynamic young cohorts with holistic personalities who can make productive contributions in the field of education. Our vision for this institution is to impart quality education in all core disciplines of knowledge to develop skilled and civilized global leaders. The world-class infrastructure, access to latest technology and exposure to diverse technical skills, offered by the institution equips learners to stride with competitive fervour. NM is an amalgamation of highly qualified teachers, enthusiastic non-teaching staff and dynamic SVKM management who constantly channelize their energies in taking NM to greater heights.

I as a mentor of NM College (Autonomous) earnestly endeavor to help you in realizing your dreams and make you better human beings. As an alumnus and as part of the Management of SVKM it has been my privilege to have both – studied in this College and be associated with the College as the representative of SVKM Management. I am sure that we shall not rest with the glories attained in the past but shall continuously seek to redefine ourselves in the light of the changing environment around us. I hope that our inexhaustive list of distinguished alumni who are serving judiciary, administration, education, corporate, politics etc. Continues to grow and that we passionately steer the youth towards the upliftment of the society.

All the best wishes for a fruitful college life at NM.

Shri Shalin S. Divatia

Mentor (NM College)

From Principal's Desk

Warm Greetings! It is with profound sense of humility and privilege that I reach out to all of you as the Principal of this prestigious institute. SVKM's Narsee Monjee College of Commerce and Economics had its inception in the year 1964. I am happy to convey that the Education World Rankings of 2022-23 ranked our college as the 3rd Best Private Autonomous College in India. World's largest financial literacy drive for the teachers and 12746 plus students was conducted by NM which is a remarkable achievement for us. NM College secured second rank out of 121 colleges and 500 participants at Gurjarati Namostute - a Gujarati literature and cultural intercollegiate fest of KES College.

It is undoubtedly the most sought-after college nationally, offering a multitude of courses and opportunities. NM's mission has always been to provide an overall educational experience, in academics and character development of students by creating life-long learners in a learner-cantered environment.

NM witnessed a progressive implementation of autonomy amidst the unprecedented pandemic. We witnessed that autonomy is helping tremendously with upward mobility of NM because we are able to keep pace with the dynamic environment, increase the skill & ability of students, ensure that community engagement is possible through innovative curricular, co-curricular & extracurricular activities, and move positively towards achieving our vision. We at NM have always made every effort to reach out to the students and are now moving towards the implementation of the New Education Policy. This ensures holistic development of students and will guarantee academic mobility through more subject choices that the students will have now. For the academic year 2023-24, NM has also registered for the Common University Entrance Test, which will allow students at pan India level to get admission into our college.

We have an extremely dedicated staff who are always willing to go that extra mile to ensure that true value addition takes place in teaching-learning process and between 2020 and 2023, eight faculties have been awarded Ph.D degree in their respective discipline of specialization. Dr. Muktha Manoj Jacob, Head Dept. of Business Communication and one of our senior Professors has been awarded with a "Life time Achievement Award" by IIERD for her contribution in the field of Education and Research.

We have been upgrading the curriculum significantly and are trying to bring it in par with level of Professional exams. Our innovative new programs like B.Com [Hons], B.Com[Economics] and B.Com[Economics & Analytics] in the first 2 years of Autonomy and few more programs like M.Com [Advanced Accountancy] & M.Com [Banking and Finance], have already performed wonderfully well in the academic year 2022-23. Around 6/7 new 30 hours certificate courses were also completed successfully in first two years of autonomy. We have increased the number of credits for all UG programs from 120 to 132 & for Honors program to 148 credits according to UGC norms. There is a complete focus on application based and experiential learning with questions testing the students' comprehension, analysis and creative ability.

Academia Industry linkage is further strengthened through signing an MOU with Bombay Industry Association (BIA), Khadi India, Ekal-Yuva etc., which will give a better exposure to the students and hands on learning experience. The rich alumni in diverse fields like Chartered Accountancy, Administration, Politics, Entertainment and Sports are a testimony to this. Through the 'Alumni Connect', where the alumni reach out to our students through 'knowledge Series' not only provide hands-on experience but also help in placement of our students. A Vibrant Training and Placement cell, which provides soft skill training of around 100 hours over and above the existing curriculum, ensures that top notch companies visit the campus and recruit the students.

The institution thus trains the students to rise from being "Dependent" to becoming "Dependable". We are extremely elated and are motivated to keep on improving in future!

As a student, you can definitely expect to have an enriching experience that propels you to make the best of the opportunities available since NM college is guided by the conviction that, "Intelligence is not a privilege but a gift to be used for the good of Humanity".

COUNSELLING CELL:

SVKM's Counselling Centre had its inception in 2012 and it envisions the high ideals of addressing and facilitating wholesome mental health and positive living. In order to overcome the intense taboo and the hesitancy that exists among students to approach counselling services, the centre is equipped with internal systems to make help more freely accessible, available, and with a student-friendly approach.

In addition, class-wise sessions are held from time to time with the involvement of different students, staff, parent groups and associations. It shifts the focus from viewing mental health as a disease, to accepting it as a positive concept of wellbeing, self-potential and self-actualization based on the principles of communication.

Mrs. Karuna Jaggi is the dedicated Counsellor appointed by SVKM, who relentlessly strived hard to help learners and their families cope with stressful times.

Cancellation and Refund of Fees

Mode of Refund of Fees

If a student, informs the institute before the commencement of the academic year, that he/she wants to withdraw the admission and that he/she cannot continue his/her education in the institute for any reason, the institute shall refund to him/her in full the tuition fee, term fee, laboratory fee (if any) and library deposits, if any, actually recovered.

The admission fee may however, be retained by the institute.

Explanation:

A) As far as the F.Y.J.C. Classes are concerned, the academic year should be deemed to have commenced from the eighth working day (i.e. excluding Sundays and if the said day of declaration of results is working day immediately following Public Holidays) from the day of declaration of the S.S.C. result.

B) If a student desires to withdraw admission and applies for refund of fees after the commencement of the academic year (Vide explanation under (A) above), the institute concerned should retain the admission fee, term fee and laboratory fee (if any) in full. The Library and Laboratory deposit should, however, be refunded.

So far as the tuition fee is concerned, the institute should retain the tuition fee only for the month(s) beginning from the month in which the academic year has commenced and ending with the month in which the student had applied for withdrawal and refund of fees. The tuition fee for the remaining months of the term should be refunded. For example, if a student applies for refund of fees in the month of July after the commencement of academic year in that month itself, the institute should retain the proportionate amount of tuition fee for one month only, namely the month of July. On the other hand, if a student applies for refund of fees in the month of August, after the commencement of academic year in month of July, the institute should retain the proportionate amount of tuition fee for two months only, namely the months of July and August. If student applies for refund of fees in the month of August after commencement of the academic year in the month of June, the institute should retain the proportionate amount of tuition fee for three months only, namely the month of June, July and August.

Refund of Fees

Refund of fees can be claimed as per Mumbai University's Circular No. UG / 412 of 2008

0.2859: Refund of Tuition, Development and all other fees after cancellation of admissions:

The candidates who have taken admission in undergraduate courses in Govt. colleges, in Govt. aided and unaided courses conducted by affiliated colleges, and recognized Institutions may request for refund of fees after applying in writing for cancellation of their admission to the course. The refund of fees as applicable shall be made on or before the 30th day after the date of cancellation and there after. The percentage of fees for the course shall be refunded to the candidate after deducting charges as follows:

NEP 2020 Implementation at NM College

The National Education Policy 2020, lays emphasis on making education more holistic and effective by integration of general (academic) and vocational education while ensuring the vertical and horizontal mobility of students and learners between academic and vocational streams. To realise the intent and objectives of National Education Policy 2020, the National Credit Framework (NCrF), has been developed, which is a comprehensive credit framework encompassing academics, vocational skills and experiential learning including relevant experience and professional levels acquired.

We at NM College, have whole heartedly accepted and are ready to implement NEP in its true spirit. While there were several challenges that we have encountered in the bid to do so, we are proud of our efforts in the past year to ensure its implementation in the best feasible way. We at NM college have tried our best in understanding and incorporating the NEP 2020 recommendations into our structure and curriculum from A.Y.2023-24.

We have ensured that all our UG programs have 132 credits divided into six verticals viz; Major, Minor, Open Electives, Vocational, Indian Knowledge System and Co curricular/OJT/Internships.. as per the requirement of the NEP 2020. To ensure mobility, we have ensured the registration of all our students at the Academic Bank of Credits (ABC).

We are prepared to provide multiple entry and exit options (as recommended by UGC) at the end of successful completion of the year by providing relevant certification as below:

UG Certificate: Students who opt to exit after completion of the first year.

UG Diploma: Students who opt to exit after completion of the second year

3-year UG Degree: Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years

4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme

At NM, we have ensured the inclusion of the Indian Knowledge System to aid the recognition of the rich and diverse heritage of India's ancient wisdom and knowledge. With interesting courses like Chanakya Niti, Artha Neeti, Indian Ethos in Management etc. we aim to provide a balanced approach to education by blending modern knowledge and skills with traditional Indian wisdom.

Further, to preserve and promote India's linguistic heritage, strengthen linguistic diversity, and foster a deeper connection between education and the socio-cultural fabric of the country, we at NM have incorporated 04 modern Indian languages in NEP 2020 in the second year viz. Hindi, Marathi, Gujarati and Sanskrit.

Last but not the least, NM College understands that co-curricular activities offer avenues for students to explore their interests, discover their talents, and pursue their passions. They provide a platform for students to engage in hands-on learning experiences, practical applications of knowledge, and real-world interactions, thereby enhancing their learning outcomes and overall educational experience. We have provided four main areas of co-curricular activities to our students viz. Sports, Yoga, NSS and Cultural (Dramatics, Dance & Vocal). We are sure that these co-curricular activities will contribute to the overall well-being of students by promoting physical fitness, mental health, and emotional resilience. They will serve as outlets for self-expression, stress reduction, and personal growth, helping students develop a positive self-image, confidence, and a sense of belonging.

While the implementation of the NEP 2020 could prove challenging in some aspects, we at NM, equipped with our excellent faculties, strong leadership, visionary management and positive outlook are excited about its implementation and look forward to this endeavour as an enthusiastic and learning organization!

Aided Program -

B.Com. – 132 Credits -6 semesters (specialization in Accountancy and Finance/ Business Management/ Statistics)

Our college offers the traditional BCom program, wherein, learners can specialise in Accountancy and Finance / Business Management / Statistics. After Autonomy, we have upgraded the curriculum of the B.Com. programme to improve the learning experience as well as employability of learners.

Graduation in commerce offers students myriad career opportunities, both in public and private sectors. At NM college we constantly update and revise the curriculum and credit structure every year after taking feedback from stakeholders.

About Self-Financed Programs:

Keeping in view the demand of the industry and the market and to ensure that the students graduating from the college are trained according to the requirement of the industry and equipped with the required skill sets, NM introduced the Self Financed Programmes.

- Training in soft skills

Since the academic year 2020-21, we have introduced the B.Com. (Hon.) programme along with the other contemporary programs. On implementation of New Education Policy from 2023-24 the name of B.Com. (Hon.) programme is changed to B.Com. (Management & Finance). The progressive nature of the program promises a Commerce aspirant a plateau to be fully equipped with the professional competency that the financial and economic world desires. The specialized skills set once acquired will propel their careers as professional accountants. The curriculum is meticulously designed considering the ever-changing demands of global Finance and Accounting. The programme is a blend of subjects specialized in the areas of Accounting, Finance and Taxation thus developing competency in a learner to pursue higher level programmes such as CA, CPA, CFA, CMA, ACCA, MBA or other Master's programmes in Accounts and Finance.

From the Academic year 2022-23, NM College offers 2 new UG programmes - B.Com.(Economics) and B.Com. (Economics and Analytics). Keeping in mind the need and demand of analytics in every area of the industry, we have clubbed tools and techniques of analytics along with core concepts of Business Economics.

If you wish to be a part of the growing competitive global market possessing the required knowledge and the necessary skill sets and wish to excel in life and reach the pinnacle of glory with an all-round personality, these are the programmes for you and the place to be is at SVKM's Narsee Monjee College of Commerce & Economics (Autonomous).

Examination and Evaluation Norms

SCHEME OF EXAMINATIONS, PASSING STANDARDS & PROGRESSION RULES

(CREDIT BASED EVALUATION NORMS)

Examination Scheme

The performance of the learner will be evaluated in two components. The first component will be a Continuous Assessment with a weightage of 40% of total marks per course (The Continuous Assessment Component will have further 3-4 sub-components such as class tests, individual assignment/ group assignments/ presentations, projects, reports, quizzes, etc.). The second component will be a Semester end Examination with a weightage of 60% of the total marks per course.

Passing Standards

To pass a course, the learner should obtain a minimum of 40% marks in aggregate out of the total marks allotted for each course where the course consists of Continuous Assessment and Semester end Examination. The learner should also obtain a minimum of 40% marks (i.e. 16 out of 40, if the maximum marks allocated to Continuous Assessment is 40) out of the total marks allotted to the Continuous Assessment and minimum of 40% marks out of the total marks allotted to the Semester end Examination (i.e. 24 out of 60 if the maximum marks allocated to the Semester end examination is 60) separately, to pass the course and a minimum of Grade D, wherever applicable, to pass a particular semester.

A learner should obtain a minimum of 40% marks out of the total marks allotted to a course, in case that course consists of only Continuous Assessment Component or only Semester end Exam component.

A learner who obtains less than 40% marks in the Continuous Assessment or less than 40% marks in the Semester-end Examination or less than 40% marks 'in aggregate' (i.e. a learner who fails to fulfill the passing criteria mentioned in the Passing Standards above) will be required to appear for Continuous Assessment / Semester end re-examination (as the case may be) which will be conducted after the result declaration of each semester. In such a case the Continuous Assessment / Semester end Examination marks (as the case may be) in which the learner had already passed will be carried forward in the respective course for which the candidate has appeared for re-examination. In case the learner fails even in the re-examination which is held after the result declaration of each semester, s/he will be allowed to appear along with the re-examination of the regular learners of the subsequent academic year.

Submission of re-examination form along with prescribed fee before the designated date is a pre-condition to appear for the re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online, within the time frame stipulated by the college, through the Student Portal.

In order to receive the degree/diploma certificate, the learner will have to pass in all the examinations of all the years of the program within the validity period, as per rules.

Progression Rules

A learner who has passed in all the courses (as per the rules of the Passing Standards) of Semester I and Semester II examinations of the first year of the program will be promoted to the second year of the program concerned. A learner who has passed in all the courses of Semester III and Semester IV examinations of the second year of the program will be promoted to the program concerned, of the third academic year. The grade cards of VI shall be kept on hold until the learner successfully passes each of the previous semesters and the final semester.

1. A learner who fails to pass in one or more courses in Semester I examination will be "allowed to keep terms" (ATKT) and will be permitted to attend lectures and appear for the Semester end examination of Semester II. This means that the learners will be allowed to keep terms for both the semesters during the first year of the programme, irrespective of the number of failures in any number of courses of the first and second semesters of that respective year of the programme. This criterion will apply to the subsequent years of the program also.
2. Such failed learners will be allowed to appear at Semester end re-examination in all the 'failed courses' which will be conducted after declaration of the results of each semester end examination of that academic year. This re-examination will be held only once in an academic year and will be held immediately after declaration of the results of the semester concerned (i.e. odd semester re-examination after the results declaration of odd semester regular examination and even semester re-examination after the result declaration of even semester regular examinations).
3. The learner is required to pay the prescribed fees for re-examinations before the commencement of the respective examination. Online applications for re-examinations (ATKT) along with the payment of prescribed fee before the designated date is a pre-condition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online within the time frame stipulated by the college, through the student portal.
4. A learner who has failed to pass in one or more subjects, in the respective year of the program i.e. two semesters taken together, after the said re-examination (as mentioned in point no. 3 above) will not be permitted to apply for admission and to continue to the next year of the program. Such learners will be required to appear for the re-examination of the courses in which they have failed to pass. They will appear for the re-examination to be conducted for the regular learners of the subsequent batch. Such a learner will also have an option to take re-admission in the same year of the program, which he/she failed to pass subject to the validity of the program.
5. The same criteria regarding re-examination as mentioned above shall be applied to Semester III and Semester IV of the second year of the program and for Semester V and Semester VI of the third year of the program.

Guidelines for Re-examinations on non-fulfilment of Passing Criteria

1. A learner who obtains less than 40% marks in the continuous assessment or less than 40% marks in the semester-end examination or less than 40% marks 'in aggregate' (i.e. a learner who fails to fulfill the passing criteria mentioned in the Passing Standards above) will be required to appear for continuous assessment / Semester end re-examination (as the case may be), which will be conducted after the declaration of results of each semester. In such a case, the continuous assessment / Semester end examination marks (as the case may be) in which the learner had already passed will be carried forward in the respective course for

which the candidate has appeared for re-examination. In case the learner fails even in the re-examination which is held after the result declaration of each semester, s/he will be allowed to appear along with the re-examination of the regular learners of the subsequent academic year.

2. Submission of re-examination form along with prescribed fees before the designated date is a pre-condition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online, within the time frame stipulated by the college, through the Student Portal.
3. In order to receive the degree, the learner will have to pass in all the examinations of all the years of the program, within the validity period as per rules.

General Rules

1. A learner who remains absent for the Semester end examination/s due to any reason, in any subject, shall be awarded 'AB' grade in the subject/s in which he/ she has remained absent. All such learners will be allowed to appear for re-examination in the said subject to be conducted.
2. In order to receive the degree, diploma, certificate, the learner will have to pass in all the examinations of all the years.
3. Revaluation / Photocopy of the answer book: In case a learner is not satisfied with the result/ grade received by him in a particular subject, he/ she may follow the 'Revaluation Procedure' in case s/he desires.
4. The fees for re-examination and re-admission will be decided by the College from time to time.
5. In case of any disputes/differences, the decision of the College shall be final and binding on the learners. If a learner desires to institute any legal proceedings against the College, such legal proceedings shall be instituted only in courts at Mumbai in whose jurisdiction, the application is submitted by the learner, and not in any other court.

NM College authorities reserve the right to make modifications in the said rules from time to time.

REFUND OF COLLEGE DEPOSIT:

Application for the refund of College deposit must be made within one year of the applicant ceasing to be a student of the College, failing which the deposit amount will be forfeited.

Examination and Evaluation Rules:

The performance of the learner will be evaluated in two components. The first component will be **Continuous Assessment** with a weightage of **25%** of total marks per course. The second component will be the Semester End Examination with a weightage of 75% of the total marks per course. The allocation of marks for the Internal Assessment and Semester End examination is as shown below:

a) Internal Assessment (theory course)

| Particulars | % |
|--|-----------|
| Class test / assignment / presentation / Project | 25 |

b) Semester end Examination -75% of the total marks per course

i) These examinations shall be of a duration of two and a half hours.

Theory question paper pattern shall be decided by the respective Board of Studies.

c) Project:

Every learner shall choose one project-based course. The project-based course will be in the form of a dissertation based on a live project or a research assignment related to the specific discipline of the parent department. To pass in the project, the learner should obtain a minimum of 40% marks out of the maximum total marks allocated to the project.

d) Passing Standards

To pass a programme, the learner should obtain a minimum of 40% marks in aggregate out of the total marks allotted for each course where the course consists of both Internal Assessment and Semester End Examination. The learner shall also obtain a minimum of 40% marks (i.e. 16 out of 40 if the maximum marks allocated for Internal Assessment is 40) out of the total marks allotted to the Internal Assessment, and minimum 40% marks out of the total marks allotted to the Semester End Examination (**i.e. 30 out of 75 if the maximum marks allocated to Semester End Examination is 75**) separately, to pass the course and a minimum of Grade D, wherever applicable, to pass a particular semester.

Performance Grading:

A 10-point grading system will be followed for declaration of results for both Under Graduate and Post Graduate programmes. It involves calculations for a Grade Point Average (GPA) and the final Cumulative Grade Point Average (CGPA).

| Grade Points and Letter Grades | | | |
|--------------------------------|-------------|--------------|---------------|
| Percentage of Marks Obtained | Grade Point | Letter Grade | Performance |
| 90.00 and above | 10 | O | Outstanding |
| 80-89.99 | 9 | A+ | Excellent |
| 70-79.99 | 8 | A | Very Good |
| 60-69.99 | 7 | B+ | Good |
| 55 – 59.99 | 6 | B | Above Average |
| 50-54.99 | 5 | C+ | Average |
| 45-49.99 | 4 | C | Satisfactory |
| 40-44.99 | 3 | D | Pass |
| Less than 40 | 0 | F | Fail |
| Absent | -- | F | Fail |

PROGRESSION RULES

1. A learner who has passed in all the courses (as per the rules of the Passing Standards) of Semester I and Semester II examinations of the first year of the program will be promoted to the second year of the program concerned. The grade cards of Semester IV shall be kept on hold until the learner successfully passes each of the previous semesters and the final semester.
2. A learner who fails to pass in one or more courses in Semester I examination will be "allowed to keep terms" (ATKT) and will be permitted to attend lectures and appear for the Semester end examination of Semester II. This means that the learners will be allowed to keep terms for both the semesters during the first year of the programme, irrespective of the number of failures in any number of courses of the first and second semesters of that respective year of the programme. This criterion will apply to the second year of the program also.
3. Such failed learners will be allowed to appear at Semester end re-examination in all the 'failed courses' which will be conducted after declaration of the results of each semester end examination of that academic year.

This re-examination will be held only once in an academic year and will be held immediately after declaration of the results of the semester concerned (i.e. odd semester re-examination after the results declaration of odd semester regular examination and even semester re-examination after the result declaration of even semester regular examinations).

4. The learner is required to pay the prescribed fees for re-examinations before the commencement of the respective examination. Online applications for re-examinations (ATKT) along with the payment of prescribed fee before the designated date is a precondition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online within the time frame stipulated by the college, through the student portal.
5. A learner who has failed to pass in **one or more subjects**, in the respective year of the program i.e. two semesters taken together, after the said re-examination (as mentioned in point no. 3 above) will not be permitted to apply for admission and to continue to the next year of the program. Such learners will be required to appear for the re-examination of the courses in which they have failed to pass. They will appear for the re-examination to be conducted for the regular learners of the subsequent batch. Such a learner will also have an option to take re-admission in the same year of the program, which he/she failed to pass subject to the validity of the program.
6. The same criteria regarding re-examination as mentioned above shall be applied to Semester III and Semester IV of the second year of the program also.

VALIDITY OF PROGRAMMES

The learners- should fulfil the requirements of the respective programmes as per the validity period given in the table below, including academic break. **No readmission/ re-examination attempts will be granted after validity period is over.** In case the validity period expires, the learner will have to seek admission, on merit basis, from the first year of the Programme.

UMANG 2022: Ragg Ragg Mein Mumbai

We commemorate the 22-year journey of Umang by looking back to recognise how far we've arrived and how gracefully we've developed. This year, Umang, Asia's Fastest-Growing Youth Festival, took place from September 15 to September 18. It is the Narsee Monjee College of Commerce and Economics' (Autonomous) yearly intercollegiate event. Umang, which has always adhered to the adage "Reach for Moo-re," made a notable impression this year with its robust recovery from the pandemic.

Umang is known for the top-bracket sponsors it brings on board every year. Viral Fission, Sugar Cosmetics, PVR and Sony BBC were some of the remarkable sponsors that took this festival to new heights. Apart from this, the PROnites here are something that Umang is known for. Arjun Kanungo, Zaeden, DJ AJ, Gully Gang artist DJ Proof along with Neha Kakkar were indefatigable during their performances, giving the audience an experience of a lifetime. Belgian Waffle, Bombay Tacos and Food Adda were some of the many food sponsors that served scrumptious dishes. The JVPD Ground was teeming with over 4000 people every day and over 200 colleges participating. A celebration of music, dance and food was witnessed on all 4 days of the festival.

THE CULTURAL SOCIETY :

Cultural Society

The Cultural Society of NM College is an association through which a student can enter into the world of creativity and follow their inner calling. It organises activities on the Intra-College Level with the purpose of encouraging students to participate and display their talent before an audience while also helping them gain confidence for participating in bigger events. Various events were organised this year including: Independence Day, Garba Night, Talent Hunt, and the Students' Week where some fun activities are organised for students to enjoy their college days and make memories that will last a lifetime. A grand entertainment program, which included Folk Dance, Street Dance, Drama, Orchestra, Fashion Show, Shayari, was presented at college Annual Day, that won everyone's heart. The instruments in the orchestra were played by the students themselves. The Cultural Society is responsible for hunting out talent from the College, bringing such students into a group and encouraging them to participate in the Intra-College events as well as Inter Collegiate Level competitions.

The Cultural Society of Junior college conducted events like RAAS an event for all garba enthusiasts and MR and MS NM- a personality contest.

NEWSLETTERS

NEWSLETTER - Transitioning Times- Bringing the real to you Updated

With a view of canvassing societally-pivotal topics we have our newsletter titled, "Transitioning Times- Bringing the real to you," which is a Junior College initiative led by a team of students who are on a path to shed light on indispensable subject matters.

An issue is published every month with different topics, thoroughly researched, articulated with written pieces and graphics.

As a result, the transitioning crew has managed to gain expertise and gravitas on various concepts and have an aim to proliferate it further via the medium of their work.

LIBRARY NEWSLETTER:

The library newsletter 'Library Xpress' is published online every month on the college website and offline on the library notice board. The newsletter is also circulated via emails through Google groups. The newsletter encloses articles from Librarian, other staff members, pictures of cover pages of new books arrived in library, detail information of the services provided to students, details about different databases, replies to students' suggestions, etc. The 'Vachan Prerna Diwas' events conducted by library committee and poems, art works, and articles written by students are attracting everyone. This is the sixth year of Library Express publication.

ROTRACT CLUB N M COLLEGE (RCNM)

The Rotaract Club of Narsee Monjee College is an institution-based organization and works under the guidance of the Rotary Club of Bombay West and the Rotaract District 3141.

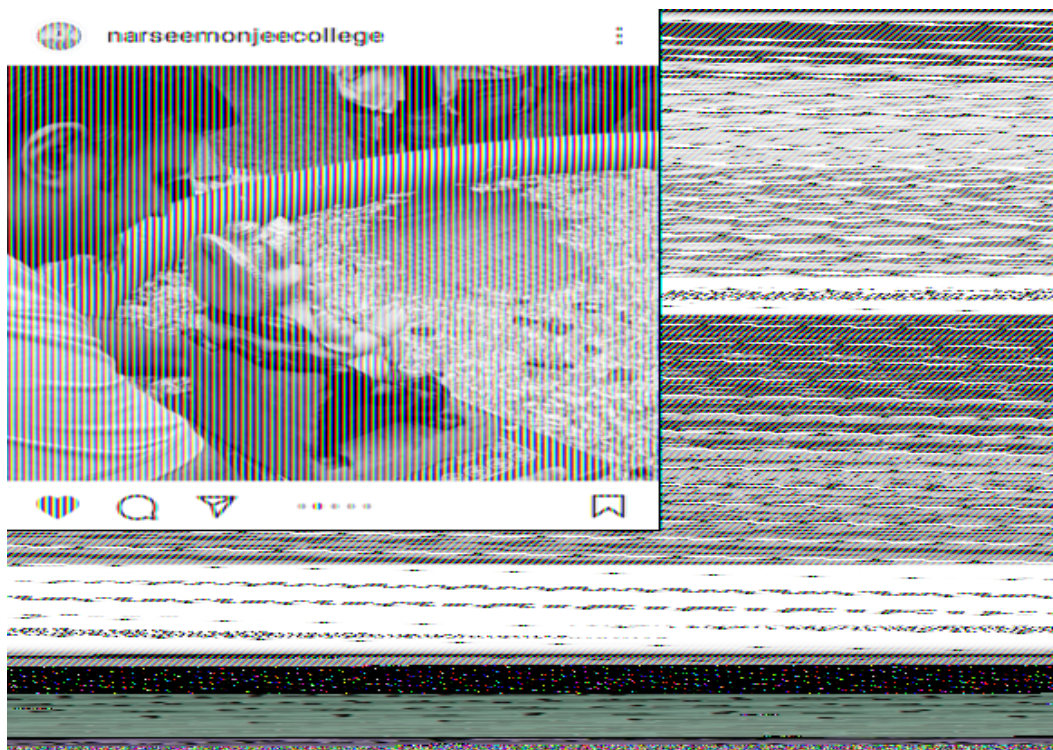

We conduct activities that target the youth and benefit them directly. We not only organize events that are concerned with personality development but also undertake projects that create an impact on the lives of many and help nurture our motto of *serve, learn, grow*.

We were ranked first at the Rotaract District 3141 in the R.I. Year 2020-21 among 120+ peer clubs. Apart from being the largest club in the district, we are also the biggest club in the college. RCNM as an organization is also one of the very few clubs in Narsee Monjee College that deals in multiple activities ranging from Entrepreneurship Development, Professional Development to Community Service & Editorials, all under one umbrella.

CENTRE FOR EXCELLENCE IN CO- CURRICULAR ACTIVITIES:

INTENT – ENTREPRENEURSHIP DEVELOPMENT CELL

The **Mantra** of INTENT is

‘Inspiring Change, Inspiring Innovation and Inspiring leadership’.

The **mission** of INTENT is

“To promote ‘Start-Up India’ with ‘Make in India’ and to encourage and extend help in every possible way to students to be well-determined entrepreneurs, who will enrich lives of millions of people and make India the Supreme Economic and Leadership Power in the world.”

Intent provides a platform for students to create motivational atmosphere for entrepreneurship for our college students and to nurture their innovative entrepreneurship ideas. Also, to develop skills and competencies required for becoming an efficient entrepreneur and seek guidance from faculties and mentoring from alumni entrepreneurs. Every year Intent conducts Business Plan competition with cash prizes provided by SVKM for winners. The other initiatives of Intent are Leadership Summit, Ideas With Intentions – Journey of 50 Successful Entrepreneurs book in volumes, skills development workshops, panel discussions, interviews with successful entrepreneurs, etc. Entrepreneurs book in volumes, skills development workshops, panel discussions, interviews with successful entrepreneurs, etc.

INSIGHT:

Insight is a launch pad for students to work towards learning new skills and competencies about the corporate world. Insight was fabricated with the main motive of building a bridge between the theoretical knowledge and its practical applicability. Our vision is to deliver such prowess by designing events which simulate the real-life corporate scenario coupled with enriching speaker sessions. The year 2020-21 had events like 'Periculum' included placing of trades with a preview of stock prices whereas 'Gear it up' was driven by participants attempting to allocate investments in various sectors.

The Global Youth Economic Summit, and the Insight Business Conclave where we were graced by inspiring words from highly distinguished speakers pushing us towards the exciting economic world! To name a few, we welcomed

- Mrs. Sudha Murty (Chairperson, Infosys Foundation)
- Dr. Kiran Bedi (the first female IPS Officer)
- Mr. Sambhav Jain (Founder, Fampay)
- Mr. Rajeev Chaba (President, MG Motor)
- Ms. Harshita Gaur [Actress, Mirzapur Fame]
- Rishabh Shah [Founder IIMUN, TIF]

And many more dignitaries from various sectors for speaker sessions. They enlightened us on the changing patterns of the economy & issues regarding the significance of knowledge and team work, the rising startup culture in India and its significance worldwide and how startups play an essential role in developing world, and the ever-inspiring journey into the way that led them to achieve success.

MATHEMATICS AND STATISTICS CELL:

MSCNM was brought into existence last year with great excitement and an aim of developing interest in students for math and stats by presenting it in a fun and easy to understand way by virtue of games, quizzes, movies suggestions, jokes and much more.

This cell conducts events to bring out the application of Mathematics in every area. It conducted events like

Algeostat, Twist-A-Tambola, Excel Like Never Before.

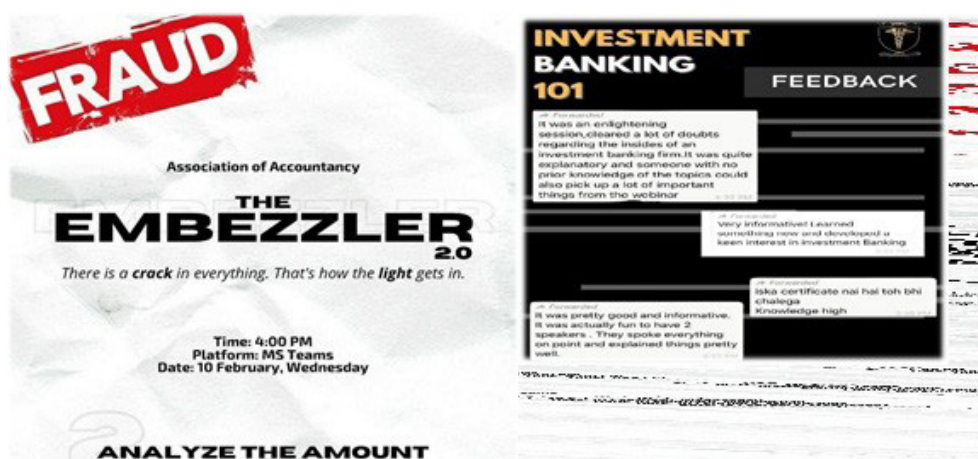

ASSOCIATION OF ACCOUNTANCY

The aim of the association is to make students aware about the various accounting terms and methods and help them implement it with the help of interactive events. In the year 2020-21, it conducted events like *"Balance It"*, *"Embezzler 2.0"* and a *Speaker Session on the topic - "Mergers"*

Insightful session on Mergers & Acquisitions conducted by Mr. Girish Vanvari

COMMERCE ASSOCIATION

The teacher in-charges of Department of Commerce has been working religiously for upliftment of the student knowledge through creating opportunity for industry exposure via collaboration with National bodies.

The association participated in Celebration of MSME Day 2022 organised by KVIC , Central Office in Irla , Andheri West with students for exposure of MSME units and their role in India's economic growth. The batches of TYBCOM were assigned to study the model of KVIC operations and compare its operations with other MNC brands in India. The student successfully sold products of KVIC worth rupees 2,00,000. The association organized an Industrial Visit to Bharat Bijlee at Airoli for the students of Supply Chain Management course, TYBCOM in collaboration with NM College Alumni Association Movement.

FINANCE AND INVESTMENT CELL:

Narsee Monjee Finance and Investment Cell, popular among students as NMFIC, is one of the most prestigious student associations of our college. It aims to make financial and investment learning a practical experience through its various events. The core belief of the institution lies in that these subjects cannot be primarily learnt and mastered through reading, but through principle application and obtaining insights from industry specialists. The association makes a conscious effort to bring about financial awareness among students, using social media. In year 2022-23 students of FIC also participated in 'PROJECT SAMRIDDHI', a world record attempt for the largest financial literacy drive in a day by NMFIC of Degree College.

BRAND BUILDING COMMITTEE:

Brand Building Committee is a platform for students to learn how to develop and maintain a brand. The students get hands on training for that by getting access to the direct development of the college brand. The students cover the various events in the college and display them on social media. They organize brand enhancing events for the college. The students learn to handle the social media handles like Facebook and Instagram pages of the college. Humans of NM is an initiative of brand building committee of NM college to provide platform to the students of NM for sharing their stories.

ARITHMOS:

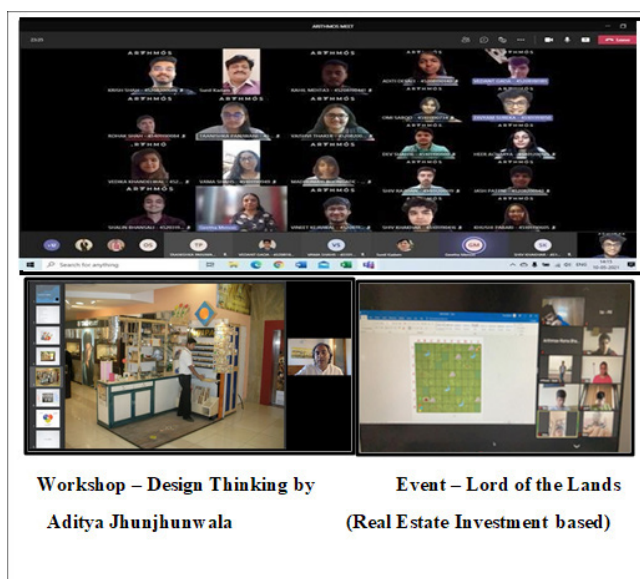

Arithmos: A Cognitive Expedition - the annual intercollegiate Mathematics and Statistics Festival of N.M. College, was conceived with the objective of removing the humdrum blocks existing in the mindset of students by approaching mathematics and statistics in its purest form- in the real world by focusing on their practical aspects in day-to-day life.

Arithmos aims to bridge the gap between Mathematics as a subject and Mathematics as a way of life. By combining hidden Mathematical concepts with everyday life, Arithmos is more than just a Mathematics fest. It is a coming together of aptitude, reasoning, logic, management and strategy. Being in the second year of its existence in 2020-21 team Arithmos put together a stellar performance by organizing a highly successful pan-India festival and setting high standards for the future.

ARTHASHASTRA:

BFM department of the college organised the event Arthashastra'21. Arthashastra is the financial markets festival N.M. College. It was started in the year 2020 by a group of students who believed that the festivals based on the intricacies of financial markets that existed in the college circuit were few and far between. The festival strives to bridge academics with actual financial intelligence by bringing out the best for the attendees through its gamut of events.

During its second year, the team went a step ahead and included various events like Bear the Bull (Virtual Stock Market Simulation) & A Seedy Place (B-Plan) along with events like Jeopardy that tested the decision-making skills of the participants in an unconventional manner. The highlight was the Summit where our audience delved into some of the most fascinating stories about the markets and economy. The Inheritance Cycle gave our participants a chance to showcase their problem-solving skills, leadership and reasoning.
