

# WILDLIFE AND NATURE CLUB JR

**Convener:** Ms Sakshi Parab

**Teachers In-Charge:** Mr Ayaan Bhattacharjee & Mr Dharmesh Divecha

The Wildlife and Nature Club Jr. , established around 25 years ago, is an active and spirited community led by its unwavering love towards nature to inculcate the importance of conservation, wildlife and preservation of our environment.

It is a platform which brings together like minded individuals who share a passion for protecting and conserving our mother nature and also to learn, protect and celebrate the wonders of the natural world.

The main objective of wildlife and nature club is to promote the conservation and protection of wildlife and natural ecosystems.

Our goal is to ensure the long-term sustainability of our planet's precious natural resources. Our vision is to safeguard biodiversity, protect natural habitats, and inspire a sustainable, harmonious coexistence between humans and the environment. Our committee has succeeded in promoting environmental awareness, and instilling a sense of responsibility among students. We have even hosted workshops, seminars, and awareness campaigns to educate students and the community about environmental issues.

We have collaborated with well known communities and organisers for treks and beach clean ups, and worked on conservation projects, such as tree planting, clean-up events, lending a compassionate hand to animals, and wildlife monitoring. Our club specifically works keeping in mind the 5Ps of the SDGs: Planet, People, Peace, Prosperity and Partnership.

We are looking forward to increase student involvement and interest in wildlife and nature conservation. The club is fuelled with passion to conserve and preserve nature and will do so by such activities.

## JEOPARDY: Let the Games Begin

The opening event of Wildlife and Nature Club Jr. for the year 23-24 was Jeopardy: Let the games begin sponsored by Alokya and Sash. The event was conducted on 23rd August, 2023 from 3.30-6 in the Seminar Hall.

There were 48 participants. Two rounds were held wherein round 1 included constructive games like Pictionary, Taboo and guess the word by emojis. Round 2 encompassed a real life monopoly game. The event was a grand success.

The event aimed to educate, inspire, and connect young participants through games and fun activities like Pictionary, Taboo and Guess the word by the emojis.

## BEACH CLEANUP

The Beach Cleanup 2023 was organised on Saturday, 30th September 2023 from 7 a.m. to 9 a.m. at Girgaon Chowpatty in collaboration with "Change is Us".

The response was large with 25 participants. The Wildlife and Nature Club Jr. and WNC degree college joined hands together for this drive. The objective of the drive was to clean up the waste which was deposited because of Ganpati Visarjan. The WNC team collectively participated in this initiative of nurturing and cleansing of the beach with a vision to have a brighter and clearer oceans and beaches.

## ACTION WAVE SUMMIT #Act now for our common future

The Wildlife and Nature Club Jr. hosted 'Action Wave Summit #Act now for our common future' on October 9, 2023. Sponsored by three companies, it emulated a G20 summit, encouraging student negotiation to tackle environmental issues. The event featured 13 participants in 7 teams, addressing topics like transport and environmental challenges. The event attracted a large audience and was highly successful.

## TREKS ORGANISED BY WNC IN THE PAST

**KESHAV SHRISHTI TREK**

**TREK TO KORIGAD**
