

Program: ALL PROGRAMS				Semester: II	
Course: NSS LEVEL I Academic Year: 2024-2025 Batch: 2024-2028				Code:	
Teaching Scheme				Evaluation Scheme	
Lecture	Practical	Tutorial	Credit	Internal Continuous Assessment (ICA) (weightage)	Term End Examinations (TEE) (weightage)
15	30	Nil	02	100% (50 Marks)	-
<p>National Service Scheme:</p> <p>NSS represents the concept of community living and promotes the need for selfless service. Its vision is based on the assumption that an individual's welfare is mainly dependent on society's overall wellness, so the focus of NSS activities is social well-being.</p> <p>It is a Course for students to cater to the needs of the community. It will also help the students to communicate with the society. The students joining this scheme develop many behavioral interactive skills.</p>					
<p>Learning Objectives:</p> <ul style="list-style-type: none"> • Develop among themselves a sense of social & civic responsibility & utilize their knowledge in finding practical solutions to individual and community problems. • Develop competence required for group-living and sharing of responsibilities & gain skills in mobilizing community participation to acquire leadership qualities and democratic attitudes. • Develop capacity to meet emergencies and natural disasters & practice national integration and social harmony in general. 					
<p>Course Outcomes:</p> <p>The participants will be able to -</p> <p>After the successful completion of Semester,</p> <ul style="list-style-type: none"> • A learner will be able to understand how NSS works from National to College level • A learner will be able to grasp the meaning of social justice and social integrity within the framework of Indian constitution. • A learner will be sensitized towards the issues related to Human Rights of weaker sections. 					

Pedagogy:

1. Techniques such as Reviews, Analysis of Cases to promote critical thinking & to create motivated and independent learners.
2. State the need for NSS activities and its present relevance in the society and Provide real-life examples.
3. Support and guide the students for self-planned activities.
4. Group activities such as Role plays, group assignments to enable learners to work together in a social environment and learn through sharing of individual information & experience.
5. Discussion of real-life problem active learning.
6. Flipped Classroom approach to enhance learner engagement.

Each lecture session would be of one-hour duration (45 sessions) : 15 Lectures + 30 practical
