Shri Amrishbhai Patel

Honorable President, SVKM

Greetings to all of you!

I have great pleasure in conveying my best wishes to all of you. Narsee Monjee College has a reputation for attracting the best students in their chosen faculty. Today, we are living in a world which has become smaller due to the advancement in transport, communication and information technology. As a result of this, trade and commerce has increased substantially and has come to dominate the relations between countries. This means that education in Commerce and Economics is becoming more relevant compared to the past.

However, Challenges and Opportunities are two sides of the same coin. Modern education, curriculum development and teaching methodologies have to keep pace with the demand of the economic environment. The manager, businessman and the entrepreneur of today need many more weapons to compete. Holistic education should include all round development of a student.

I am glad that all of you undertake various co-curricular activities which sharpen your personality, managerial and inter-personal skills. At SVKM we continue to encourage all forms of activities which contribute to the overall development of the student. I am also particularly glad that you students are also engaged in activities like NSS Camp in rural areas which sensitize you to realities of lives of different sections of the society in our country. All this has been possible only due to the dedication and commitment of the Teaching Faculty and the Non-teaching staff of the college.

I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

My good and warm wishes to all the new entrants to our Parivar.

Shri Amrish R. Patel (President SVKM)

Shri Shalin S. Divatia

Mentor, NM College

The passion of the faculty towards teaching and all round development of the students, the commitment and care of the non-teaching faculty for the college and the students and the overall environment of pursuit of excellence in all areas have often been termed as the “NM Culture”. This NM Culture has created a unique and everlasting bond among the College staff and the students. A bond which keeps on bringing the students back to College whenever any occasion demands. As alumni and as part of the management of SVKM it has been my privilege to have both – studied in this College and associated with the College as the representative of SVKM Management. I am sure that we shall not rest with the glories that have been attained in the past but shall continuously seek to redefine ourselves in the light of changing environment around us.

My best wishes to you all!

Shri Shalin S. Divatia (Mentor, N.M. College)

From the Principal's Desk

SAA VIDYA YAA VIMUKTAYE.

'TRUE EDUCATION IS THAT WHICH LIBERATES'!

As the Principal In-charge of this prestigious college in the city of Mumbai, I feel this Upanishad shloka aptly conveys what I firmly believe is the true meaning and objective of education. Education is one which widens the narrow confines of young, eagerminds and liberates it from all the bias!. An inquisitive mind is a gift to be cherished and nurtured and we at NM College aspire to make the ordinary come alive, continue to inspire, empower and challenge our students through our holistic approach to imparting education.

As an alumna of this great institution, my journey has been a constant upward curve of learning and evolution. I can say that NM, after so many years is yet the same and different too!!. There is the same vibrant quest for excellence in all fields be it academics, sports or cultural activities. But as they say that change is the only constant factor in, life, the infrastructure, library and state of the art technology that the management now offers is a difference which any student will be delighted to behold.

The excitement and fervor created by the inter-collegiate festivals Umang and Drishti is also one of the many reasons why this college is so sought after by students today. I take great pride in the exemplary success of our students in the year that has just gone by; be in their achievements in college exams, securing ranks at the professional exams or their achievements in the Youth festival, Inter-collegiate Festivals, Sports, NSS and the Rotract Club, the excellent organizing abilities of our Intent Cell- the entrepreneurship Cell, the Economics Association for their student research paper presentation

Competition and their journal Envisage, the Planning Forum and all other associations who organize and give a platform to the students to showcase their talents.

An institution is known by its people and I wish to thank my excellent teaching and non-teaching colleagues for their integrity, their hard-work and sincerity. They have worked cohesively with me on any new idea that I floated. The non-teaching staff showed true team spirit in their enthusiastic participation in the 3 phased workshop that I held for them on communication, Soft Skills and Office Administration. It was a visual delight to see the teaching and non-teaching staff members participate whole heartedly in singing and dancing in the Annual Day celebration held in the evening glory of Jashoda Rangmandir and also in the NM Sports Day held at the Jamnabai Narsee Ground.

I also thank the Management for their support and guidance, parents for their trust, alumni for their involvement and above all my students for their love for this college.

People at the helm might change but this college, which I call the temple of Goddess Saraswati will always be there for us- a pillar of strength and succession

Ms. Ameet Vora
(In-Charge Principal)

A Candid interview with Ms. Ameer Vora – Her transition from being an NM student to being an in-charge Principal of NM College

Q. How has your journey from a professor to a vice principal and now to the In-charge principal been so far?

- Little did I know when I entered this temple of SARASWATI IN 1983 as a student in FYJC that I shall be giving an interview to you as the Principal In-charge of my alma mater? Being an In-Charge Principal of this very prestigious institution brings along with itself a lot of responsibilities and it is also very demanding. Every stakeholder looks up at the new head with a lot of expectations. Expectations to bring about conducive change...

Q. As an NMite, NM then and now, what in your opinion has changed?

- As a student I was really simple and felt privileged to be a part of this college. I stepped into a lot of folk dancing in college, elocutions, cultural society and yes I had joined the WNC too. Those were the days when college was a lot more buzzing being the only huge platform to students. Even then, there were CAs but they had that time for the college. And slowly, opportunities changed, the generations and mind-set changed 360 degrees and now a 21 year old is much more aware as compared to a 21 year old back then. We always tend to resist change, but change is definitely for the better.

From 1983 till date NM has come a long way. We neither did have air-conditioned classrooms with LCD projectors nor the state of the art library with E-Resource Centre, the various databases and e-journals that are available for the students as well as the faculties today. The college has kept pace with time and has adapted itself very well to suit the technological needs of the students as well as the faculties. We did not have our own festivals then as we have now, Umang and Drishti. The only Inter-collegiate festivals that we used to participate in those times were Malhar by St Xaviers College and Mood Indigo by IIT. The Inter-Collegiate Youth Festival by the University of Mumbai was always there. The students took keen interest in participating in the festival as we had only a few inter-collegiate festivals in which we could participate unlike today, where we find

every other college in the city having its own inter-collegiate and the students are getting enough opportunities to participate and showcase their talents. This has also enhanced their organizing and leadership qualities and it has given them the confidence to market their events and get good sponsorship for their programs and events. Our NSS unit was always active even when I was a student and to add to the social and community service we have added one more association today, that being, the Rotaract Club of NM College.

Q. What transition have you witnessed in the college particularly in the students from the year you joined till today?

- When I joined this college as a lecturer in 1992, students were always intelligent, diligent and were pursuing CA. Our students are more focussed, they know well in advance what they wish to achieve in life and start working towards their goals right from their college life. It is sad, however, that to keep pace with this rat race, they miss out on their five years of college life which they shall never get back once they graduate. I strongly believe that even when our students are talented they are divided between their careers and their love and passion for their talent. In this tug of war they end up giving greater preference to the former.

Q. What changes do you seek to bring about in college?

- Our college offers not only the traditional BCOM program but also offer a Bachelors in Management Studies, Accounting and Finance and Financial Markets as well as a Bachelor of Science with Information Technology. With a plethora of options available to the students, it is necessary to ensure that our students who graduate are employable and ready for industry induction. The apparent need therefore is to bridge the gap between the academia and industry requirement and introduce such value added, skill based courses that shall make our students employable. The training and placement cell of our college is doing a commendable job by giving our students training in soft skills as well as placing them with

firms with an average pay package of rupees 3 lakhs per annum. Presently, the highest package received is rupees 7.5 lakhs per annum.

Q. What is your opinion about the functioning of our various college associations?

- Our college has over 30 associations catering to different interests of our students and covering all possible aspects of co-curricular and extra-curricular activities. But although each association wishes to conduct activities of different kinds the committee members of these associations always have a fear that the programs shall not be attended by a large number of the student population and hence all their efforts to put up a good event shall go in vain. It is therefore, the responsibility of our students to ensure that the activities go on thriving with enough participation and involvement as these activities are responsible for grooming the students in leadership, team building and organizing skills, apart from giving them a platform to excel in co-curricular and extra-curricular events.

Q. From Dramatics to teaching, how did the transition happen?

- Dance & Dramatics has always been a part of my student life and I have actively participated in them all through college; even abroad. The opportunity to teach as a professor at NM arose after I completed my M.Com. Since then, there has been no turning back for me. Teaching has, and will always be my passion. It makes me immensely glad to be a part of this honourable profession as it allows me to selflessly propagate the knowledge I have to my students.

Q. Which 'T' is more passionate for youTeaching or Theatre?

- We all have some passion or a hobby that we would like to pursue and which acts as a stress buster. So when you like doing something and enjoy it, you neither feel the pressure nor the stress and therefore, you must pursue your hobby and keep the fire burning within you. A hobby or a passion also cultivates within us a sense of dedication and devotion which sharpens our skills and concentration levels for any task on hand.

A teacher apart from having good knowledge about the subject and a command over the medium of instruction should also possess good communication skills. He or she must be able to

make the subject as interesting for the student who is his or her audience in class and ensure that they all are completely involved in the class. A good dramatist also needs to be a good communicator and has to ensure that the audience listens to whatever is being spoken on stage in rapt silence. So it is not about a winning edge it is all about how you are putting your talent to best use in real life situations. I am very passionate about teaching as well as theatre and therefore, I enjoy both.

Q. Does the change in your present title makes you feel any different?

- I think, I'll leave this question to the staff and students to answer for me. I still feel I am the same person and it's just that I have walked a few steps into another cabin. But yes, it has definitely given me the fulfilment to do something that I would want NM to be like and I hope I'm able to deliver the little bit I can in the span of time that I have.

Q. What message do you wish to give to our young NMites?

- In the end I would like to tell you, my dear students, that college life is one of the sweetest memories that you can ever have. You meet and make new friends. They pore over the text books with you, drink innumerable cups of coffee with you and exchange views with you. And then as mature qualified adults when you enter the world, you shall be working and meeting all sorts of people and your experience here in college will tell you that it is a good thing that the world is full of wonderful people with different ideas and talents. You shall be ready to take the chances, update your knowledge, add to your skills and be ready to cope with change.

Every milestone I have crossed at NM, be it my graduation, my term as a professor, becoming the Vice Principal or being appointed as the In-Charge Principal in September 2015, I owe it to my alma mater. I shall strive to serve our wonderful institution - Narsee Monjee College of Commerce and Economics to the best of my ability with great pride and dedication.

Lots of love and best wishes to you all.

Library Report 2015 – 2016

Library is the soul of the institution. The J. M. Patel Library of SVKM's N. M. College is providing an excellent collection of wonderful books and many proactive services useful for all students and staff members.

Modernization of Library:

- Facilities provided to students and staff for effective use of library:
- **UGC Network Resource Center (UGC-NRC) and printing facility-** This facility was used by 3460 students during the year 2015-16.
- **Internet and Wi-Fi** – This facility provided with individual id and password enabled students and staff members for free and seamless Internet access on their laptops.
- **Scanning, printing and photocopying** – This enabled teachers to prepare teaching aids, do their research work and students for their assignments, NSS and various associations activities. The two old printers in library are

replaced by two modern printers with scanners.

- **Google groups** - Division wise Google groups of all students for all courses were updated. These Google groups were used for regularly sending information about various databases of e-books and e-journals, reading list of books along with book reviews, list of e-books available in library and monthly list of books added in the library. Besides, Google groups proved very useful for sending urgent notices, instructions and information to the students.
- **Google Forum –NMCLIB** – A library forum is started to facilitate exchange of notes, instructions, notices, etc. among the students.

Use of E-journals:

The facility for accessing e-journals and e-books using NLIST database of UGC-INFLIBNET and e-journals and many other databases facility provided by NMIMS University library to our college library with individual ids and passwords was used by many students and teachers. Since this facility was provided

through proxy server, it is now accessible from any computer within the campus as well as outside the campus. Some other important online resources such as RBI Bulletin, government websites related to economics and statistical information, etc. were provided with their URL as hyperlink through the library webpage on the college website, where these could be easily accessed. The details of these e-journals and e-books databases and online resources were also provided to all students through *printed library brochures, library newsletters and google groups*.

Stock of Library:

Into the greatest assets of the college, the Library's books collection, increased by 1281 new books (costing Rs. 442985.00). Library subscribed 94 journals and magazines (89 national & 5 international), out of which 'Chhatrarth' and 'Journal of Management Research' were newly subscribed. The library has institutional membership of British Council Library, Indian Commerce Association and Maharashtra Economic Development Council. The library also has collection of maps and DVDs related to various subjects.

Services to students and teachers:

- Every day more than 600 students visit the library for various purposes like using reading room, books issue, journals/ magazines reading, question papers, project related references, asking for how to use e-journals or e-books, using UGC-NRC, or many other simple queries.
- The printed library brochures were distributed to all students in the beginning of the year to make them aware about their library facilities and resources.
- The Subject Bibliographies useful to save time of users were prepared for Make in India, Export Management, Transport Management and Tourism Management.

- Question papers of previous years for all examinations were prepared as booklets. On students demand we are scanning the past question papers and providing the soft copies of the same through UGC Network Resource Center.
- Photocopies of latest syllabi and past question papers were provided to the teachers, whenever they required.
- The material prepared for career guidance was updated and given for Master Mind program.
- We provided the reference service with the help of documents including books, journal articles, magazine articles, newspaper clippings, e-journals, internet articles, etc. throughout the year. The appropriate subject related newspapers clippings, information about databases of e-books and e-journals, computerized lists of books and contents lists of journal articles were provided to the faculty members and students as a proactive information service.
- **Book-Bank Scheme:** In the Book-Bank scheme 178 books were issued to 23 students from the Student's Aid Fund.

Services to Ex-students:

- During this year the certified copies of syllabus were issued to 11 students going abroad for further studies.
- This year 132 ex-students used the comfortable and centrally air-conditioned reading room of the library for their CA, CS final examination and entrance exams studies. Due to this facility we found that many regular students get benefit of the past students experience in these courses and studies.

Library Newsletter:

Online newsletter of library was published every month on the college website. This newsletter is

giving information about the library's collection, service provided to students and various available databases in detail. It also displays photographs of 'Happy Moments in Library' and 'Friends of Library'. The second part of the newsletter is dedicated to students, where students contribute articles, poems, quiz and information for publication.

Encouraging Reading:

Our aim is 'not to leave any student unattended or dissatisfied' and we try our best to satisfy the career and curricular related requirements of every student approaching us. The motto of our library is 'Encourage Reading'. For this purpose the library takes many actions as below.

- Providing an additional library card
- Open access to all students
- Promptly display newly arrived books in the book showcases near the library entrance
- Purchase books recommended by students and display those on notice board along with the student's name.
- Students were also asked to select from the books received on approval
- Book reviews written by students were displayed in showcase along with the book as "Book of the Day" and these books were mostly demanded for reading by students after display. These book reviews are bound together for the future use.
- Circulate reading lists of books along with book reviews through Google Groups
- Display newly added books covers in library newsletter and newsletter is published online as well as sent to all students through Google Groups.

Library Committee:

The library committee decided the subject-wise budget distribution for the academic year. The committee scrutinized applications received from students for Book bank facility provided for the

financially weaker students of our college. The committee also suggested some norms to be followed by the library for students' admission cancellation. The Library Committee meetings were held on first Saturdays of the month to discuss on students suggestions regarding improvements of the library facilities and giving their opinion on those suggestions. The student's suggestions along with the actions taken on those suggestions and students' recommended books purchased by library were displayed on the library notice board to make the students awareness about this facility.

Staff achievements:

I. Mrs. VaishaliDawar, Librarian

M. Patel College of Commerce on Saturday 29th August 2015.

II. Staff training:

All the library staff attended Soft Skills workshops from 2nd to 6th November, 2015 and Office Administration workshop from 28th to 30th December, 2015 organized by N. M. College.

The above achievements by the library would not have been possible without the timely guidance from the Principal and the capable and dedicated library staff, who performed their duties with honesty and enthusiasm and very positive contribution by Friends of Library and our students.

Review Report on Refresher Course in Business Studies

The world is fast changing with rebalancing of manufacturing and consumption weight across the developed and developing economies. China emphasizing on increasing their consumption capacity by phasing out single child policy, Russia facing geopolitical issues and tremors from terrorist groups. USA and Mexico on the other hand are reclaiming their share of the global manufacturing pie on the back of the declining factor and rising productivity. India too gears up for restructuring their sectoral contribution from existing share of 15% in overall GDP which compares poorly with peers like Malaysia, Thailand and Indonesia, to 25% of GDP through **Make in India policy**. The NDA launched Make in India policy on 25th September, 2014. The program which promises to promote India as an important investment destination and global hub for manufacturing designs and innovations. The policy aims to transform the economy from a service driven growth model to labour intensive manufacturing driven growth and target on creating 100 million jobs in manufacturing sector by 2022.

SVKM's N.M. College of Commerce and Economics on behalf of the Human Resource Development Centre of UGC organized a Refresher Course in Business Studies for the Professors, across the colleges under University of Mumbai. The course was held for three weeks from 7th December 2015 to 26th December 2015. There were 46 teacher participants who attended the course. **This was the tenth refresher course batch organized at NM College.** During this course, 38 guest lectures were held and a field visit was organized to Welspun, Vapi. The teacher participants also carried out three academic activities during the course. The activities were Seminar Presentation, Group Discussion and Research Proposal Presentation. The contents of the entire refresher course were objectively selected and the quality of speakers were supreme. This led to enhance the knowledge of teachers about the contemporary developments in their subjects and also to provide an understanding about the emerging areas of Make in India policy.

Inauguration Function: (L to R) Dr. K. Shanthi Director HRDC, University of Mumbai, Chief Guest Mr. Conrad D'Souza, CRO, HDFC, Ms. Ameer Vora I/C Principal, Mr. Deolankar Joint Director, Higher Education, University of Mumbai, Mr. Ashoke Basak, SVKM's Management Representative, Ms. Gomathi Iyer, Vice Principal and Dr. Vijayshree Anand, Faculty Dept. of Commerce.

The inaugural address for the refresher course was given by **Mr. Conrad D'Souza, from HDFC Bank**. He critically examined the 'Make in India Policy' and it set the ball rolling for the refresher course. **Dr. K. Shanti, Director of HRDC, University of Mumbai, Mr. Deolankar, Joint Director, Higher Education and Ms. Ameer Vora, course coordinator and I/C Principal of N.M. College,** provided their valuable inputs during the inauguration.

Mr. Jagdeep Kapoor, India's renowned Marketing Strategist and Brand Guru, discussed how important branding was for this concept and succeeded in framing a brand strategy that would give this policy widest reach. Mr. Kapoor gave various suggestions on how India can become a global brand. **Dr. Vivek Patkar B.Sc. (Hons.) in Mathematics and M.Sc. and PhD.** In Operational Research delivered a lecture on the science of writing a research proposal. **Ms. Meera Sanyal, the former CEO & chairperson of the Royal Bank of Scotland** spoke on 'Portlands of Mumbai.' She highlighted how the Portland's can be converted into recreational centres and can be focal points of spreading happiness amongst people.

Dr Prakash Kothari (MBBS, PhD.) was awarded with **Padmashri, in 2002** by the **President of India** for the contribution in the field of Sexual Medicine addressed the participants on the topics 'Sex, Sexuality and Aids'. 'Aids' is an issue that is plaguing India recently and needs to be addressed as soon as possible.

Mr. Makrand Deshpande, the Indian film actor, writer, and director in Bollywood and Marathi cinema, addressed the gathering on a very interesting topic, i.e. Bollywood and Make in India. UMANG 2015

#ThrowBackRetro

TEACHER IN- CHARGE:

Dr. Vijayshree Anand Mrs. Sneha Choithani Mrs. Ritika Khurana Mrs. Mamta Jha Mr. Darshan Panchal

ORGANISING COMMITTEE:

Aakash Desai Upansu Shah Vaibhav Jain Yash Shah Jaanvi Thakkar

Umang is a four day inter-collegiate cultural festival organized; with a view to promote the inherent talent of students and celebrate the enthusiasm of the youth. It is noted along with multiple corporate and media brand wagons having a budget of 7 figures. The event is a synergy of the youth's ingenuity and flair. It is an energetic affair with an array of events that test the talent, mental abilities, logical thinking, spontaneity and knowledge of the students. A number of events and competitions catering to an assortment of fields such as music, dance, literature, theatre, fashion and art are a part of this fest. Every year Umang whole-heartedly welcomes an enthusiastic audience facing the largest footfall of 50,000 students.

In 2015, Umang was themed “#ThrowBackRetro”. It fired up on 14th August with an inaugural ceremony seeking the blessings of the almighty. Our Vice Principal, Mrs Gomati Iyer, released the first copy of **Sans Frontière** the official Umang magazine. It featured interviews with Ranbir Kapoor and Illeana D'cruz and various other noteworthy and amusing articles and features.

The **Fine Arts Exhibit**, like every year, was a major attraction. This year's theme was, THE CHRYSALIS. It describes the transformation of a caterpillar into a

butterfly. The exhibit spoke of how when one tries to break free from their fears and insecurities in an attempt to discover their individuality, the society strikes them down, chains them to social norms and confines their individuality. But there are some people who do what they want to do regardless of the pressure of the society.

Day 1 at Umang saw a plethora of events like Fusion Band Event, Volleyball, Bollywood Dance, Macway Carting, Acapella Singing, The Management Maestro and much more. Mr. and Ms. Umang were judged by actor *Dino Morea*. The day also saw other attractions such as the Mixed Martial Arts workshop, Kick Stock Convention and Robotics workshop. The highlights of the day were the movie promotions of the movie “**Kis Kisko Pyaar Karu**” where *Kapil Sharma* and his co-stars interacted with the crowd and tickled everyone's funny bone and “**All Is Well**” where *Abhishek Bachchan* interacted with the students along with him the singers of the movie gave astounding performances on their most popular songs as well as the movie's tracks. The other highlight of the day was the First ever Bollywood Celebrity PRONite which featured the voice behind songs like “Paani da Rang”, “Mitti Di Khushboo” and “O Heeriye”, *Ayushman Khurana* with the immensely talented *Shannon Donald* as his opening act. His voice and smile

charmed the hearts of millions in the country, leaving everyone spellbound and wanting for more.

Day 2 at Umang was a day filled with energy from dusk till dawn. The day was brimming with events like Handball, Contemporary Dance, Peהל, Sufi Singing, 3 Picture Painting, Foot Tennis and Everything LA. There were also intriguing workshops such as Urban Hip Hop, Backyard Science and Past Life Regression conducted where everyone could come and learn something new. Events like the Street Dance elimination, Actor Hunt elimination and Stand Up Comedy elimination were judged by the stunning *Urvashi Rautela, Kaina Arora* and the man who can leave anyone in splits of laughter; *Sunil Grover* respectively. All of them drove the audience crazy with their talent in their respective fields. The performances by Ultimate Striderz and Danceworx left everyone in the audience awestruck with their amazing skills. Umang welcomed the stars of the movie "**Phantom**", *Katrina Kaif and Saif Ali Khan*, to promote their movie. They interacted with the crowd and grooved to the popular tunes of Phantom. The day ended on a high note with the event of War of DJs which gave a platform to amazing talent from all over the city.

Day 3 was another day filled with enthusiasm and excitement. The day kick-started with Football which was followed by events like Rap Battle, Western Dance Event, Guitar Wars, Walk to Talk, Photo Essay, Emote Your Emotions, Umang Maze, Mock Parliament and many more fun-filled events. *Kriti Sanon* came to judge the Bollywood Dance Finals and also grooved with some participants on songs from her debut movie. Other attractions of the day were the Light Art Show by Vivek Patil who is India's only light artist. His show left everyone mesmerized and enthralled. *Karan Wahi and Shilpa Anand* came to judge the finals of Mr. and Ms. Umang. The **Sunburn Umang PRONite** featured *DJ Blinders* alongside with

DJ Zenith as his opening act. Polish DJ and producer Blinders is fast becoming a name synonymous with high profile and uncover cutting edge house music. His performance at Umang left the crowd feeling the heat of EDM through their veins. The visual and technical effects left everyone present in awe as they resonated to the beats of every song.

Day 4, the final day of Umang was very special. The entire day was filled with events and workshops that had something to offer for everyone. The day's events included JAM, Western Band Event, Kirigami Art, Taste buds Talk, Pool, The Two Marketeers, 3D painting, Model Hunt, Folk Dance, Bollywood Unplugged, Junk Instruments, Kabaddi and Speak. Apart from events, there were many workshops like Molecular Gastronomy, Light Trail Photography and Backyard Science, conducted throughout the day. The day also welcomed a slew of stars. *Kangana Ranaut* and *Imran Khan*, along with *Siddharth Mahadevan* and *Neeti Mohan* came to promote their upcoming movie, **Katti Batti**. A smashing performance by the singers, movie merchandise give-away and the chance to interact with the amazing star cast made the crowd go wild with excitement. *Rajpal Yadav* along with *Satyajit Dubey* judged the Stand-up Comedy finals and added more humour to the event. The Actor Hunt finals were judged by the renowned *Sumeet Raghvan*, best known for his role of Dr.Sahil in Sarabhai vs. Sarabhai. Actor *Gautam Rode* came in to judge the War of VJs Finals and captivated everyone through his presence and talent. The day ended with the finals of War of DJs which saw DJ Chetas on the judge's panel. The event pumped up the adrenaline and the EDM mix echoing in the atmosphere.

Other attractions during Umang included Macway Karting, which is an upgraded self-balancing version of the Segway and paintball which is an all-time favourite activity that everyone loves to do with their friends. The entry to the main venue – Jashoda

Rangmandir featured a Star Wars themed tunnel, which transported everyone to the fascinating universe of Star Wars with its remarkable visual and sound effects. The various lounges provided a place for the students to go and relax between events and have fun. Umang'15 also saw a string of new events which received a hearty response from all the participants. The workshops this year also provided a platform for everyone to pique their interests and learn something new. Umang's casino was another major attraction. The Umang cafeteria saw some of the best brands catering to all taste buds.

This year, the efforts and hard work of over 500 students propelled Umang over all benchmarks and

welcome a crowd larger than ever before with more events, more glamour and more fun. Very few words can embody the experience that we call Umang.

Pre-Umang

Umang celebrated Mother's Day on the 10th of May at Equal Streets with a photo booth consisting of various fancy and multi-coloured props. Mothers are a constant guiding and motivational forces. These superheroes were called forward to pose with their sons and daughters. On the 17th of May, Umang had called for special tai chi artists who fascinated everyone with their moves of this international Chinese martial art form.

Drishti '16

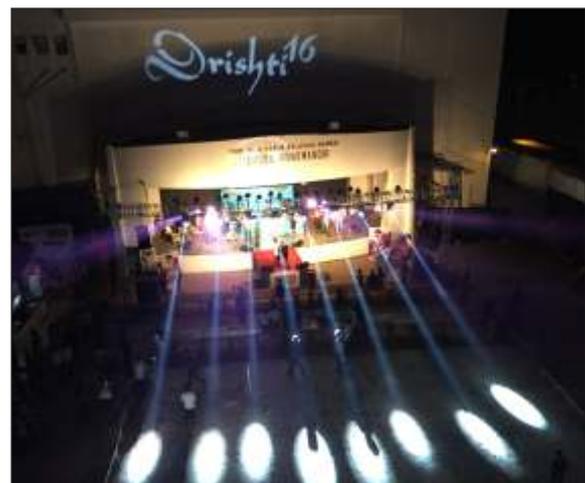

Drishti, NM College's management festival is the most awaited and looked forward to festival, which encompasses three days of everything right from, innovative events, to starstruck on days and everything else that students eagerly wait for! This year, Drishti 2016, has broken all records and has taken the festival to another level! Naming a few, Drishti 2016's Social Week- The Renaissance of Equality, took place from the 4th to the 8th of January, this year.

This year Drishti associated with the United Nations' Women's "HeforShe" campaign to spread awareness for gender equality during our Social Week. The Social Week, was graced by numerous celebrities such as Sonnalli Seygall, Kunwar Amar, Rithvik Dhanjhani,

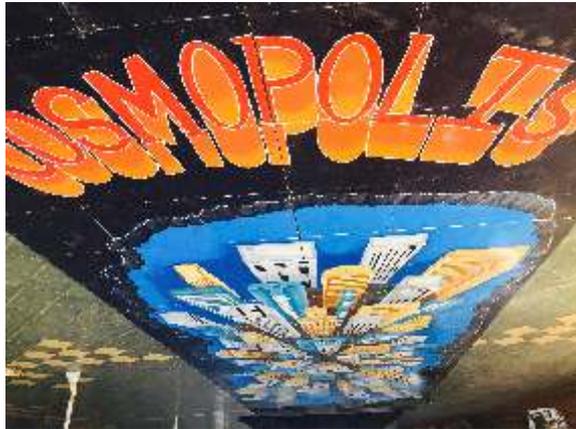

Saroj Khan and Evelyn Sharma. Nonetheless, Team Drishti also performed a mindblowing flash mob at Marine Lines to raise awareness about Gender Equality!

Drishti 2016 set sail on the 26th of January i.e on Republic Day. The inauguration ceremony was performed by the faculty of college and the Chairperson and Vice Chairpersons of Drishti. The first day being management day, the events were such that challenged one's intellect at all levels. The day started with Battle of Masterminds, we then had a very refreshing and interactive dance workshop by The Wooden Stage. Next up was Survival Of The Fittest. It will be just right to say we were in hunt of Wolf of Wall Street! Next in line was our legacy event, Echelon. Here, every participating college had to function like and become Drishti whereas, Drishti became the participating contingent for them. As we say, "Keep the best for the last", the highlight of the day, all the 160 participating teams went all gaga in the night event, The Night The World Stood Still. This event marked the end of the first day of Drishti '16. After all, it's not about winning everytime, sometimes

it's also about the reminiscence and the memories made.

The second day started off with the sports events – Jogo Bonito (football) and the Allan Border cup (cricket), at the JRM grounds, and the contingents had

a blast playing through the twists of both the games! At the same time, girls of all the contingents were busy playing their own sport event – Bend it like Beckham! The day was not all play, as we also had the management events – Drishti Business Personality

and Business@Campus happening. The afternoon had the Conclave, in which the Panelists were Laxmi Narayan Tripathi, Rajiv, Dr. Vithal Kamat and Anupama Chopra. The topic of discussion was Made in India or Made for India. The audience really enjoyed the enlightening discussion between the panelists! The events ended with The Battle of Strengths which is the Tug Of War. The Day's ending was the real cherry on the top as we had the pronite at the JRM grounds. The

opening act was a great performance of track remixes by DJ Akhil Talreja, who was followed by the gorgeous Kanika Kapoor. Her performance was thoroughly enjoyed by the crowd that was present in large numbers! Team Drishti was also joined by the Starcast of the upcoming Bollywood blockbuster – Fitoor! Katrina Kaif and Aditya Roy Kapoor stole everyone's heart with their little dance performance and their charming speech!

After the mind blowing Management day and passing through the twists and turns of the Sports day, Drishti rendered to its audience a day of fun and excitement

through its Cultural day! The day began with Life Size, the second round of Business @ Campus and followed by Sing it to Sydney which changed the perspective of music to everyone! The other-worldly workshop of The World Dance Center got the crowd on their feet and sassy moves! The third round of Mr. and Ms.

Cosmopolis, tested the young minds over on their of-the-moment alertness including their management and marketing skills! It was a true eye-opener for individuals who aspire to establish an identity for themselves in the society! The final event- The Vogue Rage, fashion show, was a dazzling success with girls and guys dressed up as per to the theme given to them and completely rocked the ramp!

The much awaited Closing Ceremony of Drishti 2016, got the caught in a moment which we all hoped would never end! Team Drishti is happy and proud to have had all of its sponsors, well wishers and audience without whom the festival could not have reach the heights it has soared!
