

## Dear Esteemed Colleagues,

We are thrilled to invite you to the Faculty Development Programme (FDP) on "Empower, Engage, Educate" hosted by IQAC and the Department of Information Technology, SVKM's NM College. This FDP is designed for educators who aspire to enhance their teaching methodologies by leveraging free and powerful MOOC platforms. Join us as we explore innovative content creation strategies, harness the potential of technology-driven learning tools, and master the integration of MOOCs into academic curricula. Let's advance together in professional growth and instructional excellence!

Best Wishes,  
IQAC and Department of Information Technology

on

## **EMPOWER, ENGAGE, EDUCATE**

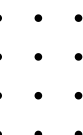

# **The Art of MOOC Course Development**

Exclusively for Academicians, and Educators  
across fields

**3rd February 2025 to 8th February 2025**

**Online**

**3:00PM to 6:00PM**

# ABOUT THE PROGRAMME

Massive Open Online Courses (MOOCs) are changing the way education is delivered by removing barriers and offering learning opportunities to everyone, anywhere in the world. "Empower, Engage, Educate: The Art of MOOC Course Development" is a specialised initiative aimed at enhancing the expertise of educators in the rapidly evolving field of content development. It is open to all faculty members across nation and aims to make MOOC creation easy and accessible. It will cover the basics, tools, and strategies needed to design engaging and impactful online courses. Participants will learn about content creation, video production, gamification, and analytics, with a mix of theory and hands-on practice. By the end of this program, participants will be ready to develop their own MOOCs and expand their teaching impact.

## OBJECTIVES OF PROGRAMME

- To equip educators with the skills and tools to design, develop, and deliver impactful MOOCs using modern technologies and effective teaching strategies
- To introduce participants to the core concepts and fundamentals of MOOCs
- To Provide hands-on experience in designing MOOC course outlines, analyzing student performance, and facilitating effective discussions
- To equip participants with the skills to create engaging e-content and efficiently manage it

## PROGRAMME HIGHLIGHTS

- In-depth exploration of MOOCs and their ever-evolving landscape
- Discussions on how to integrate them in classroom teaching and publish it for public usage
- Participants will engage in hands-on activities to set up environments for course development

# SCHEDULE AND OUTLINE
