(ABP System)**

All scholarship and fellowship beneficiary students are hereby informed that the University Grants Commission (UGC) has introduced an **Aadhaar-Based Payment (ABP) system** for the disbursement of fellowships and scholarships under the Direct Benefit Transfer (DBT) scheme.

As per the official notification, all payments will now be credited **only to Aadhaar-seeded bank accounts** through the Scholarship and Fellowship Management Portal (SFMP).

In view of the above, all concerned students are instructed to:

1. Link their Aadhaar number with their bank account.
2. Update and verify their details on the SFMP portal.
3. Ensure that their Aadhaar seeding process is completed successfully.

Deadline: On or before 10th April 2026

Students who fail to complete the above process within the stipulated time may face interruption or non-receipt of scholarship/fellowship payments.

All students are advised to treat this matter as urgent and complete the required process at the earliest and also come to college for further verification and approval from portal.

For any queries or assistance, students may contact 5th Floor NM Office in scholarship section of the college.
