Important Advisory on Unofficial Communication

It has come to our attention that some students and staff have been receiving unofficial messages or instructions through personal calls, informal platforms, or social media.

Please note that all official communication from the college will be issued only through recognized and formal channels. Any communication received from unverified sources or outside these channels should not be acted upon or entertained under any circumstances.

If you come across any such communication, immediately report it to the concerned authority or the undersigned. Strict action will be taken against those involved in circulating or responding to such unauthorized messages.

We urge all students and staff to remain vigilant and inform their peers as well to avoid falling prey to misinformation or unofficial instructions.

Your cooperation in maintaining the transparency and integrity of our institutional processes is sincerely appreciated.
