NOTICE

As part of the safety and well-being of our students, we would like to remind everyone about important safety precautions to prevent incidents like robberies on campus. While our campus is generally a safe and secure environment, it is essential that we remain vigilant and proactive in safeguarding our community.

Here are some essential robbery prevention tips and best practices to keep in mind:

1. **Secure Personal Belongings:** Keep your belonging like Laptops, bags and wallets secure. Do not leave valuables unattended in public spaces.
2. The Students are to be extra careful of their belongings which is carried with them (e.g. Cash, Mobile phones, Gold chain, Laptops etc.). We also have installed hooks inside the washrooms to keep their bags hanging instead of keeping them outside to avoid theft.

We encourage all students of our college to look out for one another and report any concerns promptly.
