NOTICE

Reminder to Students for APAAR ID (ABC ID) Linking on Samarth Portal

As per the University of Mumbai circular, it is mandatory for all Undergraduate and Postgraduate students to register on the Samarth Portal and link their APAAR ID (Academic Bank of Credits ID) for the completion of academic records.

It has been observed that the following students have not yet completed the registration and APAAR ID linking process on the Samarth Portal as of today. A prior notice regarding the linking process has already been issued; however, the concerned students have still not completed the required process.

Despite prior instructions and reminders, the process remains incomplete for the listed students.

Therefore, they are once again directed to complete the registration and linking process immediately.

Important Instructions:

1. Registration on the Samarth Portal is compulsory for all students.
2. Creation of APAAR (ABC) ID alone is not sufficient; it must be properly linked on the Samarth Portal.
3. Students must ensure the correct entry of their APAAR ID while linking.
4. Failure to complete the process may result in non-issuance of mark sheets and other academic consequences as per university guidelines.

All concerned students are hereby instructed to:

- Complete the Samarth Portal registration, and
- Link their APAAR (ABC) ID without further delay.

Students facing any technical issues or discrepancies should contact **Ms. Priti Mestry** in the **Administrative Office (5th Floor)** between **10:30 a.m. and 4:00 p.m.**, on or before **Saturday, 18th July 2026**. Alternatively, students may email their queries to priti.mestry@nmcce.ac.in.
