Admission to SYB.Sc.IT [Bachelor of Science (Information Technology)]

Instructions for Submitting Preference Form

Students are advised to read this notice carefully **before selecting the order of preferences** in the Course Preference Form.

- **No change in course will be permitted** in Semester III or Semester IV once a course is allotted in Semester III under the respective category.
- Preferences will be collected through a form; however, **course allotment will be subject to seat availability.**
- Students must submit their preferences **carefully in order of priority** (e.g., 1st, 2nd, 3rd, etc.).
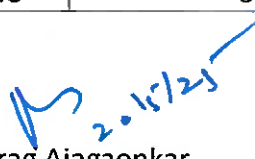

Important:

In certain categories, selection of a course in Semester III will lead to **automatic allotment of a specific course in Semester IV**, based on syllabus continuity.

You are therefore requested to **refer to the table below** before marking your course preferences in the Admission Form for Semester III.

Category	SEMESTER III	SEMESTER IV
VSEC	Mathematics For Information Technology I	Mathematics For Information Technology II
VSEC	Professional And Management Skills	Universal Values And Skills
VSEC	Introductory Course On SAP Applications I	Introductory Course On SAP Applications II

Those who opt a course under the category of 'Indian Languages' in Semester III, will be allotted same course in the following Semester IV. Pl refer the following Table:

Category	Course allotted in SEMESTER III	Courses offered in SEMESTER IV respectively
AEC	Hindi I	Hindi II
AEC	Marathi I	Marathi II
AEC	Gujarati I	Gujarati II
AEC	Sanskrit I	Sanskrit II

Dr. Parag Ajagaonkar,

Principal
