President's Welcome Message

Greetings! Shri Vile Parle Kelvani Mandal founded Narsee Monjee College of Commerce & Economics in 1964 with a focused vision and untrammled thirst to nurture society. The foundation of this institution is to continually strive for excellence in education and holistic development. It is one of the premier colleges in Mumbai which has acted as a catalyst in imparting quality education.

SVKM's Narsee Monjee College of Commerce & Economics (Autonomous) offers multifarious programmes in the faculty of Commerce & Economics. Narsee Monjee College has always had a reputation of being the most sought-after college globally.

I sincerely believe that our students will be able to sculpt a harmonious blend of curricular, co-curricular and extra-curricular activities through their journey in this temple of learning. It will sharpen their skills and help them to cope and overcome the harsh realities of life. Our social outreach programs along with special focus on sustainability will sensitize the students towards the pressing needs of the society and help them become responsible citizens of the country.

A very important asset of our college is its dedicated teaching and non-teaching staff under the mentorship of our Principal & Vice-Principals. Their contribution to the growth of NM College is abundant. With this strong background and the perseverance to develop the student fraternity, I look forward to having enthusiastic students in our institution.

I wish all of you the best for achieving greater success and scaling new heights in your education and career ahead. With its newly adorned crown of Autonomous status, I am sure that NM College will leave no stone unturned to build a vibrant and inclusive learning community in a culture of excellence sustained by a sound value system that promotes responsible citizenship and effects social change. My warm wishes to all the new entrants to our NM PARIVAR.

Shri Amrish R. Patel

President, SVKM

Message from the Mentor, NM College

Education is the ability to meet life situations. Resistance and diligence laced with knowledge and intellect can make one soar to any desired extent. The thrust of education at NM College (Autonomous) is not limited to mentor rank holders but to also create dynamic young cohorts with holistic personalities who can make productive contributions in the field of education. Our vision for this institution is to impart quality education in all core disciplines of knowledge to develop skilled and civilized global leaders. The world-class infrastructure, access to latest technology and exposure to diverse technical skills, offered by the institution equips learners to stride with competitive fervour. NM is an amalgamation of highly qualified teachers, enthusiastic non-teaching staff and dynamic SVKM management who constantly channelize their energies in taking NM to greater heights.

I as a mentor of NM College (Autonomous) earnestly endeavor to help you in realizing your dreams and make you better human beings. As an alumnus and as part of the Management of SVKM it has been my privilege to have both – studied in this College and be associated with the College as the representative of SVKM Management. I am sure that we shall not rest with the glories attained in the past but shall continuously seek to redefine ourselves in the light of the changing environment around us. I hope that our inexhaustive list of distinguished alumni who are serving judiciary, administration, education, corporate, politics etc. Continues to grow and that we passionately steer the youth towards the upliftment of the society.

All the best wishes for a fruitful college life at NM.

Shri Shalin S. Divatia

Mentor (NM College)

From Principal's Desk

With immense pleasure, I extend my heartfelt greetings to you all. Since its establishment in 1964, SVKM's Narsee Monjee College of Commerce and Economics (Autonomous) has epitomized excellence in education. It is an honor for me to address you as the Principal of this esteemed institution. I am delighted to share that in the Education World Rankings of 2022-23, our college was recognized as the 3rd Best Private Autonomous College in India. This recognition accentuates our commitment to academic excellence and innovation. NM College is renowned nationally, offering a diverse array of courses and unparalleled opportunities for its students.

At NM, our mission has always been to cultivate lifelong learners, fostering academic excellence alongside character development. Despite the challenges posed by the pandemic, we have made significant strides in implementing autonomy, which has proven instrumental in advancing our institution. Autonomy has facilitated adaptability to the evolving educational landscape, enhancing student skills through innovative curricular, co-curricular & extracurricular activities, fostering community engagement, and aligning with our overarching vision.

We at NM have always made every effort to reach out to the students and have successfully embarked on the journey to implement the New Education Policy with stride. This ensures holistic development of students and will guarantee academic mobility through more subject choices that the students will have now. We have an extremely dedicated staff who are always willing to go that extra mile to ensure that true value addition takes place in teaching-learning process. From 2020 and 2023, eight faculties have been awarded Ph.D. degree in their respective disciplines of specialization, which epitomize excellence in teaching and mentorship.

We have upgraded our curriculum to align with professional standards & examinations, introducing innovative programs such as B.Com [Management & Finance], B.Com[Economics] and B.Com[Economics & Analytics] in the first 2 years of Autonomy and few more programs like M.Com [Advanced Accountancy] & M.Com [Banking and Finance], have already performed wonderfully well in the academic year 2023-24.

Several 30 hours certificate courses were also completed successfully in first three years of autonomy. We have increased the number of credits for all UG programs from 120 to 132 & for Honors program to 148 credits according to UGC norms. There is a complete focus on application based and experiential learning with questions testing the students' comprehension, analysis and creative ability.

Our commitment to academic excellence is further highlighted by our rigorous academic audit process, which ensures the relevance and richness of our curriculum. This year, we have gone through an exhaustive academic audit, critically scrutinizing every area in every course with the help of experts and the latest reference books. This audit helped us weed out the redundant areas, making space to enrich the course with relevant and industry vital topics. Our programs and faculties are now equipped with detailed plans for every session, along with binders consisting of pre-reading materials, activities, cases & other pedagogical tools to provide the best learning experience to the students.

Academia Industry linkage is further strengthened through signing an MOU with Bombay Industry Association (BIA), Khadi India, Ekal-Yuva etc., which will give a better exposure to the students and hands on learning experience. The rich alumni in diverse fields like Chartered Accountancy, Administration, Politics, Entertainment and Sports are a testimony to this. Through the 'Alumni Connect', where the alumni reach out to our students through 'knowledge Series' not only provide hands-on experience but also help in placement of our students. A Vibrant Training and Placement cell, which provides soft skill training of around 100 hours over and above the existing curriculum, ensures that top notch companies visit the campus and recruit the students.

The institution thus trains the students to rise from being "Dependent" to becoming "Dependable". We are extremely elated and are motivated to keep on improving in future!

As a student, you can definitely expect to have an enriching experience that propels you to make the best of the opportunities available since NM college is guided by the conviction that, "Intelligence is not a privilege but a gift to be used for the good of Humanity".

COUNSELLING CELL:

SVKM's Counselling Centre had its inception in 2012 and it envisions the high ideals of addressing and facilitating wholesome mental health and positive living. In order to overcome the intense taboo and the hesitancy that exists among students to approach counselling services, the centre is equipped with internal systems to make help more freely accessible, available, and with a student-friendly approach.

In addition, class-wise sessions are held from time to time with the involvement of different students, staff, parent groups and associations. It shifts the focus from viewing mental health as a disease, to accepting it as a positive concept of wellbeing, self-potential and self-actualization based on the principles of communication.

Mrs. Karuna Jaggi is the dedicated Counsellor appointed by SVKM, who relentlessly strived hard to help learners and their families cope with stressful times.

Cancellation and Refund of Fees

Mode of Refund of Fees

If a student, informs the institute before the commencement of the academic year, that he/she wants to withdraw the admission and that he/she cannot continue his/her education in the institute for any reason, the institute shall refund to him/her in full the tuition fee, term fee, laboratory fee (if any) and library deposits, if any, actually recovered.

The admission fee may however, be retained by the institute.

Explanation:

- A) As far as the F.Y.J.C. Classes are concerned, the academic year should be deemed to have commenced from the eighth working day (i.e. excluding Sundays and if the said day of declaration of results is working day immediately following Public Holidays) from the day of declaration of the S.S.C. result.
- B) If a student desires to withdraw admission and applies for refund of fees after the commencement of the academic year (Vide explanation under (A) above), the institute concerned should retain the admission fee, term fee and laboratory fee (if any) in full. The Library and Laboratory deposit should, however, be refunded.

So far as the tuition fee is concerned, the institute should retain the tuition fee only for the month(s) beginning from the month in which the academic year has commenced and ending with the month in which the student had applied for withdrawal and refund of fees. The tuition fee for the remaining months of the term should be refunded. For example, if a student applies for refund of fees in the month of July after the commencement of academic year in that month itself, the institute should retain the proportionate amount of tuition fee for one month only, namely the month of July. On the other hand, if a student applies for refund of fees in the month of August, after the commencement of academic year in month of July, the institute should retain the proportionate amount of tuition fee for two months only, namely the months of July and August. If student applies for refund of fees in the month of August after commencement of the academic year in the month of June, the institute should retain the proportionate amount of tuition fee for three months only, namely the month of June, July and August.

NEP 2020 Implementation at NM College

The National Education Policy 2020, lays emphasis on making education more holistic and effective by integration of general (academic) and vocational education while ensuring the vertical and horizontal mobility of students and learners between academic and vocational streams. To realise the intent and objectives of National Education Policy 2020, the National Credit Framework (NCrF), has been developed, which is a comprehensive credit framework encompassing academics, vocational skills and experiential learning including relevant experience and professional levels acquired.

We at NM College, have whole heartedly accepted and are ready to implement NEP in its true spirit. While there were several challenges that we have encountered in the bid to do so, we are proud of our efforts in the past year to ensure its implementation in the best feasible way. We at NM college have tried our best in understanding and incorporating the NEP 2020 recommendations into our structure and curriculum from A.Y.2023-24.

We have ensured that all our UG programs have 132 credits divided into six verticals viz; Major, Minor, Open Electives, Vocational, Indian Knowledge System and Co curricular/OJT/Internships.. as per the requirement of the NEP 2020. To ensure mobility, we have ensured the registration of all our students at the Academic Bank of Credits (ABC).

We are prepared to provide multiple exit options (as recommended by UGC) at the end of successful completion of the year by providing relevant certification as below:

UG Certificate: Students who opt to exit after completion of the first year.

UG Diploma: Students who opt to exit after completion of the second year

3-year UG Degree: Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years

4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme

At NM, we have ensured the inclusion of the Indian Knowledge System to aid the recognition of the rich and diverse heritage of India's ancient wisdom and knowledge. With interesting courses like Chanakya Niti, Artha Neeti, Indian Ethos in Management etc. we aim to provide a balanced approach to education by blending modern knowledge and skills with traditional Indian wisdom.

Further, to preserve and promote India's linguistic heritage, strengthen linguistic diversity, and foster a deeper connection between education and the socio-cultural fabric of the country, we at NM have incorporated 04 modern Indian languages in NEP 2020 in the second year viz. Hindi, Marathi, Gujarati and Sanskrit.

Last but not the least, NM College understands that co-curricular activities offer avenues for students to explore their interests, discover their talents, and pursue their passions. They provide a platform for students to engage in hands-on learning experiences, practical applications of knowledge, and real-world interactions, thereby enhancing their learning outcomes and overall educational experience. We have provided four main areas of co-curricular activities to our students viz. Sports, Yoga, NSS and Cultural (Dramatics, Dance & Vocal). We are sure that these co-curricular activities will contribute to the overall well-being of students by promoting physical fitness, mental health, and emotional resilience. They will serve as outlets for self-expression, stress reduction, and personal growth, helping students develop a positive self-image, confidence, and a sense of belonging.

While the implementation of the NEP 2020 could prove challenging in some aspects, we at NM, equipped with our excellent faculties, strong leadership, visionary management and positive outlook are excited about its implementation and look forward to this endeavour as an enthusiastic and learning organization!

Since the academic year 2020-21, we have introduced the B.Com. (Hon.) programme along with the other contemporary programs. On implementation of New Education Policy from 2023-24 the name of B.Com. (Hon.) programme is changed to B.Com. (Management & Finance). The progressive nature of the program promises a Commerce aspirant a plateau to be fully equipped with the professional competency that the financial and economic world desires. The specialized skills set once acquired will propel their careers as professional accountants. The curriculum is meticulously designed considering the everchanging demands of global Finance and Accounting. The programme is a blend of subjects specialized in the areas of Accounting, Finance and Taxation thus developing competency in a learner to pursue higher level programmes such as CA, CPA, CFA, CMA, ACCA, MBA or other Master's programmes in Accounts and Finance.

From the Academic year 2022-23, NM College offers 2 new UG programmes - B.Com.(Economics) and B.Com. (Economics and Analytics). Keeping in mind the need and demand of analytics in every area of the industry, we have clubbed tools and techniques of analytics along with core concepts of Business Economics.

If you wish to be a part of the growing competitive global market possessing the required knowledge and the necessary skill sets and wish to excel in life and reach the pinnacle of glory with an all-round personality, these are the programmes for you and the place to be is at SVKM's Narsee Monjee College of Commerce & Economics (Autonomous).

Examination and Evaluation Norms

SCHEME OF EXAMINATIONS, PASSING STANDARDS & PROGRESSION RULES

(CREDIT BASED EVALUATION NORMS)

Examination Scheme

The performance of the learner will be evaluated in two components. The first component will be a Continuous Assessment with a weightage of 40% of total marks per course (The Continuous Assessment Component will have further 3-4 sub-components such as class tests, individual assignment/ group assignments/ presentations, projects, reports, quizzes, etc.). The second component will be a Semester end Examination with a weightage of 60% of the total marks per course.

In case of Co-curricular (NSS, Yoga, Cultural and Sports) and Language courses and first component will be a Continuous Assessment with a weightage of 60% of total marks per course (Practical) and the second component will be a Semester end Examination with a weightage of 40% of the total marks per course.

Passing Standards

To pass a course, the learner should obtain a minimum of 40% marks in aggregate out of the total marks allotted for each course where the course consists of Continuous Assessment and Semester end Examination. The learner should also obtain a minimum of 40% marks (i.e. 16 out of 40, if the maximum marks allocated to Continuous Assessment is 40) out of the total marks allotted to the Continuous Assessment and minimum of 40% marks out of the total marks allotted to the Semester end Examination (i.e. 24 out of 60 if the maximum marks allocated to the Semester end examination is 60) separately, to pass the course and a minimum of Grade D, wherever applicable, to pass a particular semester.

A learner should obtain a minimum of 40% marks out of the total marks allotted to a course, in case that course consists of only Continuous Assessment Component or only Semester end Exam component.

A learner who obtains less than 40% marks in the Continuous Assessment or less than 40% marks in the Semester-end Examination or less than 40% marks 'in aggregate' (i.e. a learner who fails to fulfil the passing criteria mentioned in the Passing Standards above) will be required to appear for Continuous Assessment / Semester end re-examination (as the case may be) which will be conducted after the result declaration of each semester. In such a case the Continuous Assessment / Semester end Examination marks (as the case may be) in which the learner had already passed will be carried forward in the respective course for which the candidate has appeared for re-examination. In case the learner fails even in the re-examination which is held after the result declaration of each semester, s/he will be allowed to appear along with the re-examination of the regular learners of the subsequent academic year.

Submission of re-examination form along with prescribed fee before the designated date is a pre-condition to appear for the re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online, within the time frame stipulated by the college, through the Student Portal.

In order to receive the degree/diploma certificate, the learner will have to pass in all the examinations of all the years of the program within the validity period, as per rules.

Progression Rules

A learner who has passed in all the courses (as per the rules of the Passing Standards) of Semester I and Semester II examinations of the first year of the program will be promoted to the second year of the program concerned. A learner who has passed in all the courses of Semester III and Semester IV examinations of the second year of the program will be promoted to the program concerned, of the third academic year. The grade cards of VI shall be kept on hold until the learner successfully passes each of the previous semesters and the final semester.

1. A learner who fails to pass in one or more courses in Semester I examination will be "allowed to keep terms" (ATKT) and will be permitted to attend lectures and appear for the Semester end examination of Semester II. This means that the learners will be allowed to keep terms for both the semesters during the first year of the programme, irrespective of the number of failures in any number of courses of the first and second semesters of that respective year of the programme. This criterion will apply to the subsequent years of the program also.
2. Such failed learners will be allowed to appear at Semester end re-examination in all the 'failed courses' which will be conducted after declaration of the results of each semester end examination of that academic year. This re-examination will be held only once in an academic year and will be held immediately after declaration of the results of the semester concerned (i.e. odd semester re-examination after the results declaration of odd semester regular examination and even semester re-examination after the result declaration of even semester regular examinations).
3. The learner is required to pay the prescribed fees for re-examinations before the commencement of the respective examination. Online applications for re-examinations (ATKT) along with the payment of prescribed fee before the designated date is a pre-condition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online within the time frame stipulated by the college, through the student portal.
4. A learner who has failed to pass in one or more subjects, in the respective year of the program i.e. two semesters taken together, after the said re-examination (as mentioned in point no. 3 above) will not be permitted to apply for admission and to continue to the next year of the program. Such learners will be required to appear for the re- examination of the courses in which they have failed to pass. They will appear for the re-examination to be conducted for the regular learners of the subsequent batch. Such a learner will also have an option to take re-admission in the same year of the program, which he/she failed to pass subject to the validity of the program.
5. The same criteria regarding re-examination as mentioned above shall be applied to Semester III and Semester IV of the second year of the program and for Semester V and Semester VI of the third year of the program.

Guidelines for Re-examinations on non-fulfilment of Passing Criteria

1. A learner who obtains less than 40% marks in the continuous assessment or less than 40% marks in the semester-end examination or less than 40% marks 'in aggregate' (i.e. a learner who fails to fulfill the passing criteria mentioned in the Passing Standards above) will be required to appear for continuous assessment / Semester end re-examination (as the case may be), which will be conducted after the declaration of results of each semester. In such a case, the continuous assessment / Semester end examination marks (as the case may be) in which the learner had already passed will be carried forward in the respective course for which the candidate has appeared for re-examination. In case the learner fails even in the re-examination which is held after the result declaration of each semester, s/he will be allowed to appear along with the re-examination of the regular learners of the subsequent academic year.
2. Submission of re-examination form along with prescribed fees before the designated date is a pre-condition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online, within the time frame stipulated by the college, through the Student Portal.
3. In order to receive the degree, the learner will have to pass in all the examinations of all the years of the program, within the validity period as per rules.

General Rules

1. A learner who remains absent for the Semester end examination/s due to any reason, in any subject, shall be awarded 'AB' grade in the subject/s in which he/ she has remained absent. All such learners will be allowed to appear for re-examination in the said subject to be conducted.
2. In order to receive the degree, diploma, certificate, the learner will have to pass in all the examinations of all the years.
3. Revaluation / Photocopy of the answer book: In case a learner is not satisfied with the result/ grade received by him in a particular subject, he/ she may follow the 'Revaluation Procedure' in case s/he desires.
4. The fees for re-examination and re-admission will be decided by the College from time to time.
5. In case of any disputes/differences, the decision of the College shall be final and binding on the learners. If a learner desires to institute any legal proceedings against the College, such legal proceedings shall be instituted only in courts at Mumbai in whose jurisdiction, the application is submitted by the learner, and not in any other court.

NM College authorities reserve the right to make modifications in the said rules from time to time.

PROGRESSION RULES

1. A learner who has passed in all the courses (as per the rules of the Passing Standards) of Semester I and Semester II examinations of the first year of the program will be promoted to the second year of the program concerned. The grade cards of Semester IV shall be kept on hold until the learner successfully passes each of the previous semesters and the final semester.
2. A learner who fails to pass in one or more courses in Semester I examination will be "allowed to keep terms" (ATKT) and will be permitted to attend lectures and appear for the Semester end examination of Semester II. This means that the learners will be allowed to keep terms for both the semesters during the first year of the programme, irrespective of the number of failures in any number of courses of the first and second semesters of that respective year of the programme. This criterion will apply to the second year of the program also.
3. Such failed learners will be allowed to appear at Semester end re-examination in all the 'failed courses' which will be conducted after declaration of the results of each semester end examination of that academic year.

This re-examination will be held only once in an academic year and will be held immediately after declaration of the results of the semester concerned (i.e. odd semester re-examination after the results declaration of odd semester regular examination and even semester re-examination after the result declaration of even semester regular examinations).

4. The learner is required to pay the prescribed fees for re-examinations before the commencement of the respective examination. Online applications for re-examinations (ATKT) along with the payment of prescribed fee before the designated date is a precondition for appearance at a re-examination. A learner will not be allowed to appear for the re-examination in case s/he fails to submit the re-examination form online within the time frame stipulated by the college, through the student portal.
5. A learner who has failed to pass in **one or more subjects**, in the respective year of the program i.e. two semesters taken together, after the said re-examination (as mentioned in point no. 3 above) will not be permitted to apply for admission and to continue to the next year of the program. Such learners will be required to appear for the re-examination of the courses in which they have failed to pass. They will appear for the re-examination to be conducted for the regular learners of the subsequent batch. Such a learner will also have an option to take re-admission in the same year of the program, which he/she failed to pass subject to the validity of the program.
6. The same criteria regarding re-examination as mentioned above shall be applied to Semester III and Semester IV of the second year of the program also.

VALIDITY OF PROGRAMMES

The learners- should fulfil the requirements of the respective programmes as per the validity period given in the table below, including academic break. **No readmission/ re-examination attempts will be granted after validity period is over.** In case the validity period expires, the learner will have to seek admission, on merit basis, from the first year of the Programme.

UMANG 2023

For 24 years, College has hosted Umang, a wildly popular inter-collegiate cultural festival that has become Asia's fastest-growing. Students from across India flock to this exciting event.

The tireless Team Umang, fuelled by their "Reach for Moo-re..." motto, consistently breaks new ground. Each year, they devise innovative ideas and activities for college students, ensuring Umang upholds its swiftly-earned reputation for excellence.

Objectives - Building College Spirit and Talent

Umang goes beyond just entertainment. It fosters a strong sense of community within the college and ignites college pride. By organizing a variety of events, from sports and debates to cultural shows, the festival provides a platform for students to lead and manage event planning, honing valuable skills in the process. It also cultivates and showcases student talent through performances, competitions, and artistic displays, enriching the campus environment. Ultimately, Umang fosters a sense of belonging by bringing students together to share experiences and celebrate.

Benefits

Umang's impact extends far beyond the participants. The festival creates a more vibrant and engaging atmosphere for everyone on campus, including students, faculty, and staff. This positive campus culture not only attracts new students but also encourages current students to stay involved. Furthermore, planning the festival offers practical learning experiences in communication, marketing, and project management, which benefits the participating students. The success of Umang also enhances the college's reputation, attracting recognition and potential partnerships.

THE CULTURAL SOCIETY:

Cultural Society and Inter-collegiate Festivals

The Cultural Society of NM College is an association through which a student can enter the world of creativity and follow their inner calling. It organises activities on the Intra-College Level with the purpose of encouraging students to participate and display their talent before an audience while also helping them gain confidence for participating in bigger events. Various events are organised like Independence Day, Garba Night, Talent Hunt, and the Students' Week where some fun activities are planned for the students to enjoy their college days and make memories that will last a lifetime. This committee offers a host of opportunities and enables students to participate in various National and International Level Festivals across various domains such as Dance, Drama, Music, Fine Arts, Literary Arts, Fashion Show, Business, Economics, Finance and much more. The committee recognizes the talent among students in the set fields and train and nurture them to be the face of the college across India. It furnishes students with a chance to gain exposure while they interact and compete with other students from elite institutes of the nation, build up on their own victories from glorious competitions while also collecting some fun experiences and memories all at the same time. In short, this committee lays out a stage for all the talented students and helps them develop or improve on their talent and skill set.

The centre's establishment is anticipated to inspire and empower students to pursue their entrepreneurial ambitions, fostering a dynamic startup ecosystem within and beyond the college campus.

INSIGHT- Business, Finance and Economics Fest

Insight is a launch pad for students to work towards learning new skills and competencies about the corporate world. Insight was launched with the main motive of building a bridge between the theoretical knowledge and its practical applicability. It is the largest annual 'Business', 'Finance', and 'Economic' festival of the renowned Narsee Monjee College of Commerce and Economics (Autonomous), Mumbai.

Initiated in the year 2017, Insight continues to advance as it is all set to commence its 9th edition in the year 2025. 'Insight', being the largest corporate fest of the city has flourished to bridge the gap between classroom learning and the practical world applications by laying out remarkable events, speaker sessions and interfacing opportunities. The fest is the mediator of unaccustomed initiatives of the corporate world.

The Global Youth Economic Summit, and the Insight Business Conclave are graced by inspiring words from highly distinguished speakers pushing learners towards the exciting economic world! To name a few,

- Mrs. Sudha Murty
- Dr. Kiran Bedi
- Ms. Smriti Irani
- Dr. Niranjana Hiranandani

And many more dignitaries from various sectors for speaker sessions. They enlighten on the changing patterns of the economy & issues regarding the significance of knowledge and teamwork, the rising startup culture in India and its significance worldwide and how startups play an essential role in developing world, and the ever-inspiring journey into the way that led them to achieve success.

CONSULTANCY CELL

The Consulting Club at N.M. College is a dynamic hub for aspiring management consultants and business strategy enthusiasts. The mission is to cultivate a culture of excellence in management consultancy among students and faculty. Through workshops, seminars, and discussions, we foster curiosity and innovation. We provide premier resources such as access to industry experts and real-world case studies, empowering members to stay informed and competitive. Networking opportunities with industry professionals and alumni enable valuable connections and career prospects. Through collaborative projects and case competitions, we nurture problem-solving skills and leadership qualities, preparing members for the challenges of the consulting industry.

MATHEMATICS AND STATISTICS CELL:

MSCNM was brought into existence last year with great excitement and an aim of developing interest in students for math and stats by presenting it in a fun and easy to understand way by virtue of games, quizzes, movies suggestions, jokes and much more.

This cell conducts events to bring out the application of Mathematics in every area. It conducted events like **Algeostat, Twist-A-Tambola, Excel Like Never Before.**

MATHEMATICS AND STATISTICS CELL (JR.):

Mathematics and Statistics Club (Jr.) was formed in 2023- 2024, emerging as a Junior college committee as a separate entity from its NMCCE counterpart. It organized its first event as a junior committee called "Symphonies Wrapped" on 13th December 2023.

Objectives

- The MSCNM Jr. intends to instill love for mathematics among students in a fun way, even in the future by putting the gears of the young minds to work and enhancing their logical and mathematical abilities with the help of musical symphonies.
- To instill qualities in students like socials bonding, student engagement and inclusivity

- To build Mathematical creativity and leadership qualities for overall development amongst the young minds of our JC team
- To represent NM college on the inter collegiate podium for promotion of Mathematical abilities
- To showcase Mathematics in a way that has never been thought of before and to sow the seeds of love in the hearts of every student through our future events. We feel that in a college like NM where a majority of the students have opted for the subject Mathematics, it is imperative to have a committee which keeps the flame of their willingness to do Mathematics burning.

The aim of the association is to make students aware about the various accounting terms and methods and help them implement it with the help of interactive events. In the year 2020-21, it conducted events like “Balance It”, “Embezzler 2.0” and a Speaker Session on the topic - “Mergers

Insightful session on Mergers & Acquisitions conducted by Mr. Girish Vanvari

COMMERCE ASSOCIATION:

The Teacher in-charges of Department of Commerce have been working religiously for the upliftment of student knowledge through creating opportunity for industry exposure via collaboration with National bodies.

The Association through its MoU with Khadi and Village Industries Commission, strives to provide opportunities for experiential learning through internships, projects and assignments based on the village industries. The students of Marketing management course took up sale of Village industries products as part of their assignment, enabling them to get a hands-on experience in sales and also resulting in adding to the turnover of KVIC. The association organizes regular Industrial Visits for the students of Operations management in SY BCom and Supply Chain Management course in TYBCOM in collaboration with NM College Alumni Association Movement (NAAM)

FINANCE AND INVESTMENT CELL:

Narsee Monjee Finance and Investment Cell, popular among students as NMFIC, is one of the most prestigious student associations of the college. It aims to make financial and investment learning a practical experience through its various events. The core belief of the institution lies in that these subjects cannot be primarily learnt and mastered through reading but through application of those principles and obtaining insights from industry specialists. The association makes a conscious effort to bring about financial awareness among students, using social media.

The Finance and Investment Cell is an exciting club offering a blend of finance education and a fun experience. The objective of FIC is to introduce students to financial concepts in an engaging way, fostering financial literacy and investment awareness.

Usual activities conducted by FIC include interactive workshops, gamified learning sessions, virtual stock market simulations, and investment games. Students also get to participate in fun challenges enriching their learning experience.

In our association, students will learn about budgeting, saving, investing, stock analysis, and risk management. They will develop critical thinking, decision-making skills, and teamwork abilities while enjoying a dynamic and interactive environment. Overall, Finance and Investment Cell equips students with the knowledge and skills necessary for a successful career in finance and investment.

FRIENDS OF LIBRARY:

“FRIENDS OF LIBRARY” is a committee of students interested in the college library and its activities such as suggestions for collection development, library newsletters, books display, exhibitions, speaker sessions, competitions, etc. Besides this the Friends of library encourages students for reading and writing in various modes of printed as well as digital contents and gives them a platform to showcase it. Read, Write, Inspire is a motto of Friends of Library.

Friends of Library committee started functioning from the academic year 2014-15. From 2017-18 onwards the committee started literature festival namely “Illusion”. The Friends of Library students also had conducted various workshops, speaker sessions, interviews and Writer’s Junction to encourage the budding writers of NM College. Friends of Library also had conducted sessions on meeting authors and introducing their books, conducting quizzes and competitions, book reviews, etc. The students are also publishing their articles, poems, art work, quizzes, etc. in Library Express newsletter, which is a monthly online publication.

ADVERTISING AND MARKETING CIRCLE:

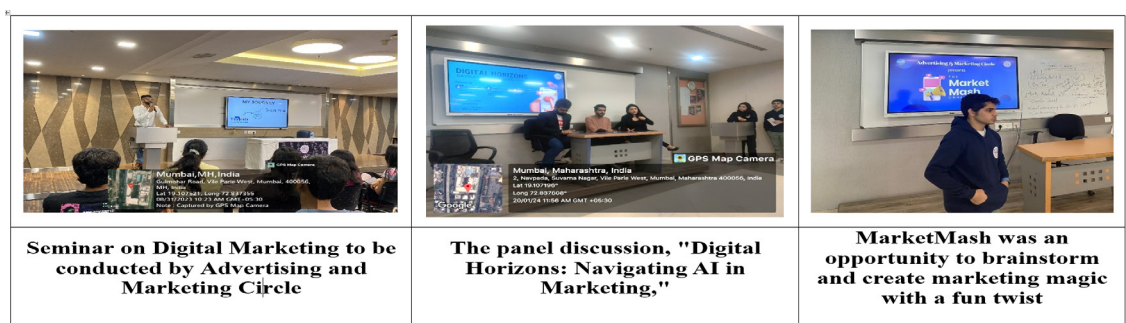

The Advertising & Marketing Circle (AMC) at SVKM's Narsee Monjee College of Commerce & Economics (Autonomous) is a dynamic platform fostering creativity, innovation, and industry insights. With a primary objective of nurturing marketing acumen and promoting advertising proficiency, AMC engages students in a myriad of activities aimed at honing their skills and knowledge in the field.

Objectives:

AMC strives to provide students with a comprehensive understanding of advertising, marketing, and branding dynamics. Through interactive sessions, workshops, and events, the circle aims to equip participants with practical insights and hands-on experience in conceptualizing, strategizing, and executing marketing campaigns.

Activities:

AMC conducts a diverse range of activities including workshops, speaker sessions, competitions, and social media initiatives. From crisis communication events and brand creation competitions to workshops on Instagram content strategy and speaker sessions with industry experts, AMC offers a holistic learning experience. Additionally, the circle actively engages in social media campaigns and initiatives to enhance its online presence and reach. Through these initiatives, AMC empowers students to explore their creative potential, develop critical thinking skills, and stay up with industry trends in the ever-evolving landscape of advertising and marketing.

BRAND BUILDING COMMITTEE:

Brand Building Committee is dedicated to elevating the institution's brand and fostering community engagement. They manage official social media handles of the college, showcasing student achievements and promoting events to ensure widespread awareness and inclusivity. With a focus on public relations, they ensure that outstanding college events and student talents receive deserved recognition through diverse media channels.

Beyond promotion, the committee organizes flagship events like 'Milaap,' conduct brand enhancing activities, and lead community service projects exemplifying NM's dedication to excellence and social responsibility. The 'Humans of NM' initiative by Brand Building Committee provides a platform to the students of NM college for sharing their inspiring stories.

ARITHMOS:

Arithmos: A Cognitive Expedition is the Annual Intercollegiate Management and Strategy Festival of NM College. Kicked off in 2019 by a group of out-of-the-box thinkers who were passionate about the nuances of numbers, Arithmós is now at its 4th edition, emerging in all its grace and grandeur. We go beyond our books and above the average, with spontaneous and hands-on application of quantitative aptitude, management skills, financial capabilities, strategic thinking and data analysis in today's world. Where only the fittest survive, honing these skills and giving our students the competitive edge is the priority of Arithmós 2023!

The events for Arithmós are segregated over 5 departments

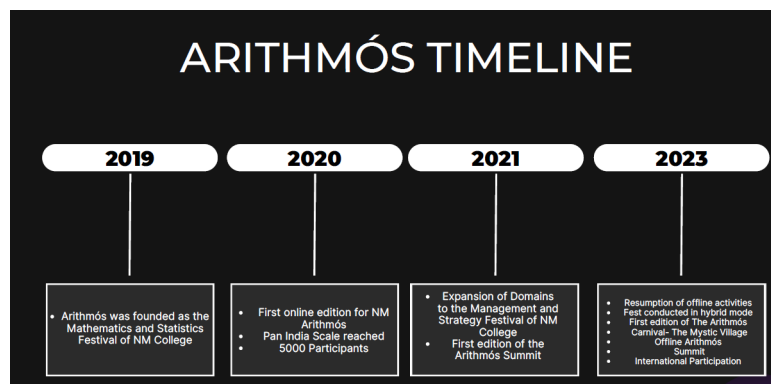

Business Strategy Events

Quantitative Events

Innovations

Analytical Events

Informals

Arithmos aims to bridge the gap between Mathematics as a subject and Mathematics as a way of life. By combining hidden Mathematical concepts with everyday life, Arithmos is more than just a Mathematics fest. It is a coming together of aptitude, reasoning, logic, management and strategy.

TECHFEST:

NM TechFest '24, the annual fin-tech and gaming festival of Narsee Monjee College, Mumbai, showcases a dynamic fusion of innovation, creativity, and collaboration. With a diverse array of events spanning gaming, informals, and fin-tech, the festival offers a platform for students to learn and explore as well as gain hands-on experience in various areas.

NM TechFest also works on organising team bonding sessions and social outreach activities which strengthens N.M. TechFest as a team, working together towards their vision and goals. The members also do get a brief understanding of the working structure and all the departments of the fest along with various perks and benefits.

The festival offers a wide range of activities, including gaming tournaments, panel discussions, TechSummit, simulated decision-making scenarios in the realm of fin-tech and much more. These activities provide students with a comprehensive experience as well as to gain valuable insights into various aspects of finance,

entrepreneurship and establish connections with like-minded individuals.

By participating in NM TechFest, students enhance their skills, explore emerging finance trends, and network with industry experts and peers. The festival encourages critical thinking, bold innovation, and effective collaboration, preparing students for success in the fast-paced competitive world.

NM TechFest '24 was a resounding success, leaving participants with unforgettable memories and inspiration to pursue their passions in their related fields. As the festival continues to grow, it remains committed to empowering the next generation of gaming and fin-tech enthusiasts.

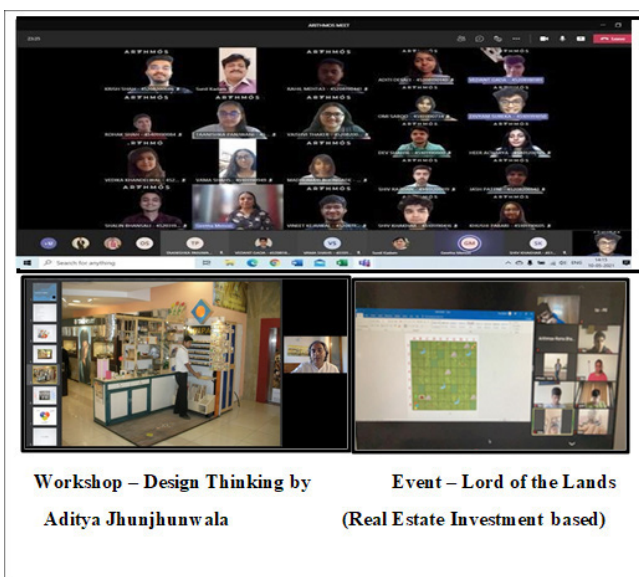

ARTHASHASTRA:

BFM department of the college organised the event Arthashastra'24. Arthashastra is the financial markets festival N.M. College. It was started in the year 2020 by a group of students who believed that the festivals based on the intricacies of financial markets that existed in the college circuit were few and far between. The festival strives to bridge academics with actual financial intelligence by bringing out the best for the attendees through its gamut of events.

During its fourth, the team went successfully conducted various events like Bear the Bull (Virtual Stock Market Simulation) & A Seedy Place (B-Plan) along with events like Jeopardy that tested the decision-making skills of the participants in an unconventional manner. The highlight was the Summit where our audience delved into some of the most fascinating stories about the markets and economy. The Inheritance Cycle gave our participants a chance to showcase their problem-solving skills, leadership and reasoning.

STUDENTS' FORUM (JR.):

Objectives:

- To allow and encourage students' representation in matters concerning them
- To build a connect between students and teachers
- To nurture democratic values
- To help them grow and evolve as responsible and socially aware citizens

Vision

The students' Forum of junior college is the apex body comprising of the class representatives of all the 11th and 12th standard students across all the divisions. They represent about 2200 students in all.

This is one body which elects its members in a completely democratic way. The class representatives go through a rigorous process of interview and thereafter they are voted for by their classmates to represent them. Each class normally has one girl and one boy representative.

Main Events

During the year they organize programs which are exclusively the privilege of the members of the Students' Forum. They organize programs to celebrate the teachers' day to express their gratitude and respect for their teachers.

The one and only event, the Clash of Committees, which brings together all the other associations of the junior college to compete with each other to lift the trophy of the Best Committee of the Year is organized by the Students' Forum. This committee also organizes one of the most awaited celebrations of the year, i.e., the students' week. Over the years the Students' Forum has successfully organized celebrations of Rose Day, Twinning day, Traditional day, Hollywood/ Bollywood day, DJ party to name a few, and various other events for the junior college students. The committee also makes its members socially aware by organizing donation drives, visit to old age homes, orphanages etc. In all, this committee gives a platform to its members to showcase their organizing skills, nurtures human values and helps them develop in various arenas. It gives them an opportunity to learn to be responsible towards their work and duty and evolve as socially responsible citizens.

THE CONSCIOUS CITIZENS' CLUB:

The Conscious Citizens' Club is a unique association of Narsee Monjee College (Jr. College Section) that aims at the holistic evolution of the human personality leading to thinking, compassionate and responsible world citizens. The Club's unending journey exposes our young eager seekers to critical social issues that plague today's world. The Club helps enhance the physical, emotional and even spiritual well-being as well as economic wisdom and ecological sensitivity of young minds.

The Conscious Citizens' Club was formed in 2019 with the purpose of bridging the gaps in the current education system that caters only to the skills of 'money-making'.

The Club envisions the emergence of a social order where each student is moulded into a 'conscious global citizen' and money remains merely a 'means to a desirable end'. To this end the Club charges nothing and handles no funds, while firing its activities with the 'spirit of volunteerism'!

Activities of the Club span from those that create awareness about the ecological balance and gender equity to physical, mental & psychological health as well as legal and social consciousness.

Events like visiting orphanages for origami & storytelling sessions, animal abuse & veganism, Green-Ganesha & beach cleaning after Visarjan, Kick-Plastic campaign and supporting Climate Strikes across the globe dot the academic year of the members of the Club.

The Conscious Citizens' Club organized Donation Drive in the year 2023 -24

CENTRE FOR GREEN INITIATIVE:

WILDLIFE & NATURE CLUB:

“Where the vision is one year, cultivate flowers; where the vision is ten years, cultivate trees and where the vision is eternity, cultivate people”.

The Wildlife & Nature Club brings out the nature lover inside students through the events like nature trail, Trekking, clean up drive, Gift a Sapling etc., giving them the opportunity to promote the concern for Environmental protection through their events. It mainly focuses on protection, conservation and growth of flora and fauna.

The Wildlife and Nature's Club is a club with visions that extend beyond routine practices and horizons broadened with the drive for betterment.

This club's motto revolves around coordination and synchronization of all the youth's efforts towards a healthier environment. Keeping in mind all aspects of the planet, the Wildlife and Nature's Club Jr. aims to mould and equip the leaders of tomorrow to make decisions towards shaping a sustainable future for eons to come.

The Wildlife and Nature's Club has continued to be a welcoming and warm club for all its years. With each year, it lies heavily on its central motto Impact. Every initiative and activity of the club remains steadfast on the impact it creates no matter how big or small.

From cleanups of the beaches of Mumbai to active demonstrations of the ways of nature, it never fails to create an opportunity to learn. If we look at Labyrinth or Green Beats, both activities engaging participants in healthy competition and involvement in presentations based on water conservation, waste management, animal endangerment etc. No event of the club is executed without a theme, a message it wishes to impart. Therefore, it ensures to connect the nature of the youth with understanding the gravity of environmental problems.

Coming to the flagship event of the Wildlife and Nature's Club Jr., the most awaited event of the year, the annual Trek'. The event in which the participants go out on a long arduous journey which is made on foot. This event allows the participants to experience nature in its purest form, gives peace to the mind, body and soul, builds up perseverance and discipline among other things. Over the past years, as a club, we've trekked over a couple of summits, some of which include Korigad Fort, Pragalpachi, Bhivpuri Waterfalls, Dukes Nose, Malsehj Ghats and Lohagad Fort. Apart from the trek, the nature trail is another awaited event of the club. Sanjay Gandhi National Park visits are a norm for the club. One learned about the different types of flora and fauna around them.
